**No Matter to Whom He Speaks, Stanley  
Jones Has a Message and It Is Vital - - -**

In his introduction the author avows this book was written under divine compulsion. While speaking to an audience in Singapore on the matter of meeting suffering in a Christian way he says: "It suddenly flashed through my mind that this was the subject for the next book. It seemed not a vagrant thought but an illumination from outside—clear, imperious, compelling." The book has a Chinese background as his other books have an Indian, illuminated by illustrations obtained by world-round associations. The author paints with vivid color the sorrows of mankind. He narrates the various ways of meeting these sorrows—combat them, ignore them, scorn them. Then vitally and magnificently and with original spiritual power he presents the Christian attitude of accepting suffering for the understanding of God and the enrichment of life.

### BOARD OF CHRISTIAN EDUCATION—REPORT NO. 1

---

#### THE LOCAL CHURCH

It is with considerable satisfaction that your Board is able to report an excellent understanding and co-operation on the part of pastors and church school leaders that make possible a more effective carrying forward of the work of your Conference Board. The reports of the staff indicate that the Conference program has been favorably received in every district in the Conference during the past year.

#### OUTSTANDING FEATURES

1. In accordance with the program ordered by the Conference at Winston-Salem a year ago, a staff organization has been set up in each Presiding Elder's District.

2. Encouraging progress continues in the correlation of the college and the local church features of our program.

The relations between Duke University and our local churches are becoming more intimate through the service of the professors and the students of the School of Religion in our training program. This service is highly appreciated in our Conference. We feel that this work represents a significant step toward a program of Christian education in the Conference, in which the responsibility is recognized as mutual between our colleges and our local churches.

Continued progress has been made in the regular program of your Board. Vacation Church Schools, the observance of Childhood and Youth Week, our Standard and Cokesbury Training program, Missionary Education and Extension Work, the Conference Assemblies and the Methodist Student Conference have all had due emphasis this year, and the results show a healthy development.

#### RECOMMENDATIONS FOR 1934

1. The General Board of Christian Education plans for the celebration of the Sesqui-Centennial of American Methodism throughout our church. Your Conference Board pledges hearty co-operation with the General Board in these plans. We urge our local church schools to avail themselves of the special elective courses on Methodist History to be provided in our church school literature for adults and young people, and to enter into the celebration in every other practicable way. We also have instructed our staff to use all means of co-operating with the Colored Methodist Episcopal Church in their Christian education during 1934, believing that active co-operation between our church and the Colored Methodist Episcopal Church is one effective way of celebrating the Sesqui-Centennial.

2. A serious reduction in the income of the Board makes it necessary for your Board to recommend as an emergency measure the combination for the present of the duties of the Executive Secretary and those of the Extension Secretary.

In doing this, we call attention to the fact that a certain percentage of the funds raised for Missions in the Sunday school, is under the law of the church, made available for the Extension work of this Board. These funds are morally and legally available solely for the work of the Extension program. It will be

necessary for the Conference to bear this in mind and thus make adequate provision for the general work of the Board, if this is to be carried forward.

Under our agreement with the General Board, these two offices must be separated as soon as our finances permit.

The Board hereby expresses its appreciation of the fine and effective service rendered by Brother John F. Kirk, who has been Executive Secretary of the Board for the last three years. Under his leadership the regular lines of Board work have been carried forward, and the new provisions for the local church program have been launched and are now well under way.

3. We recommend that in addition to carrying forward the regular lines of our program the following be made special points of emphasis for the coming year:

(a) The organization of the Board of Christian Education in every local church congregation and careful and diligent attention to the study and promotion of the Program of Christian Education for the Local Church.

(b) The stressing of the evangelistic emphasis throughout our entire program of Christian Education in the Local Church, and the effort everywhere both to discover those who are outside of the church and Sunday school and to lead those who are not Christians into a vital faith in Christ and membership in His church.

(c) The continuance and enlargement of the Conferences and Assemblies at Lake Junaluska for both our young people and our adults.

(d) A Leadership Training Program for pastors and district staff workers.

4. We recommend as a necessary means of carrying on the program of this Board, that Sunday School Day be observed in all our local churches, and that all our schools be enlisted in the support of the Home and Foreign Missionary Enterprise, and that all moneys raised on Sunday School Day or for Missions in the Sunday school be promptly forwarded to the Treasurer of the Board.

5. We recommend the election of the following Board staff for the year 1933-1934:

*With Salary:*

|                                       |                     |

## REPORT NO. 2

The Board observes with profound satisfaction the successful work of the Special Education Commission in bringing the Conference to a satisfactory policy concerning its education institutions. Duke University and Greensboro College, held in joint ownership with the N. C. Conference, and Brevard College will provide an adequate program of which the Conference may feel happily proud.

The Board has had before it reports of Duke University. It is gratifying to note that this institution has steadily grown in number of students and in every other way, the present enrollment being larger than that of any previous year. In addition to the value of the endowment and plant and equipment, given below, the report lists special funds aggregating \$1,697,884.

The report from Greensboro College indicates that the administration has succeeded, through great voluntary sacrifice on the part of its officers and teachers, in balancing its budget. In many respects the college is in an unusually good condition. The present total enrollment shows an increase of 63 over the corresponding date of last year.

The following statistics are gathered from the reports:

*Duke University:*

### SPECIAL CONFERENCE EDUCATIONAL COMMISSION REPORT NO. 1

Your Special Educational Commission, to whom was given the responsible task of merging Rutherford College and Weaver College in one Co-educational Junior College, and of merging Davenport College with Greensboro College, beg leave to submit for your information the following report:

The task assigned us has turned out to be much more complex, and has required more time than the Annual Conference had supposed necessary, and has proved to be much more difficult than your Commission had at first thought it would be. Nevertheless, we report much work done and most satisfactory progress made. Indeed, in certain important particulars, our work has proved more fruitful and promising than at the beginning either we or the Conference could have hoped for.

The Commission wish, at the outset, to express appreciation of the spirit of co-operation displayed by the officers and trustees of Rutherford, Weaver, and Davenport Colleges. Also we wish to thank the officers and trustees of Greensboro College for their co-operation in enabling us to come to a complete understanding of their financial condition. Without this co-operation we could not have proceeded.

Your Commission found it necessary to employ an attorney and go very carefully into all legal matters and especially into the financial condition of all colleges concerned. The Commission was fortunate in securing the services of Mr. Wm. H. Bobbitt, of the firm of Stewart and Bobbitt, Charlotte, N. C.

#### I. CONCERNING THE TEMPORARY MERGING OF THE EDUCATIONAL PROGRAM AND STUDENT BODIES OF WEAVER AND RUTHERFORD COLLEGES IN THE BUILDINGS OF DAVENPORT COLLEGE AT LENOIR.

1. The Annual Conference had instructed the Commission to "merge the educational program and the student bodies of Rutherford and Weaver Colleges and to carry on this program in the present buildings and with the material

equipment of Davenport College at Lenoir. This to be effected at the earliest practicable time."

The Commission is under the necessity of reporting to the Conference that we found it not only impracticable to carry out your instructions in this particular, but wholly impossible. In the first place, there was no dormitory at Davenport for boys, and no suitable rooming and boarding facilities were available. And in the next place, we had no money with which to carry on any sort of institution. For when we saw what apportionments had been made for Christian Education and considered that we had no reason to believe that the income on Annual Conference assessments would be any larger this year than it was last, and when we subtracted from possible income those items that had prior claim we were left without any assurance of any money whatsoever for the suggested temporary Co-educational Junior College at Lenoir. Again and again your Commission returned to the consideration of this matter, but we found no way whereby the temporary school at Lenoir could be opened.

2. Your Commission, desiring as far as possible to carry out the will of the Conference, and considering that the Conference had at no time contemplated the complete cessation of all Junior College work during the present school year, then passed a resolution that if any of the Junior Colleges of the Conference, Davenport, Rutherford, or Weaver, should see fit to operate for another year, the Commission would offer no objection, it being understood, however, that no additional financial obligations were to be incurred by these colleges. Davenport College found it impossible to operate under these conditions and so did Rutherford College. Weaver College gladly accepted the opportunity to continue another year, and we are informed has had a very successful opening. Thus the Junior College work of the Conference has not been entirely discontinued.

## II. CONCERNING THE MERGING OF WEAVER AND RUTHERFORD COLLEGES IN A NEW CO-EDUCATIONAL JUNIOR COLLEGE WITH A NEW NAME AND CHARTER.

1. *Location.* In determining the location of the new Junior Co-educational College, it was necessary for the Commission to take into consideration both the character of the educational service to be rendered by the new institution and the real estate, buildings, and other resources available and necessary for the work of the new institution.

Your Commission gave much time to the consideration of the location. It was found that we could not go to Lenoir because there were no sufficient lands available for the purposes of a Co-educational Junior College, and no additional resources were offered, or were available. We visited Cleveland Springs, near Shelby, where beautiful grounds might have been had, but there were no buildings on the grounds and no money for buildings was offered. We made a visit to Rutherford College, where there were ample grounds and buildings with which we might have made a beginning, but the indebtedness lying against that institution was too great for your Commission to assume, or recommend to the Annual Conference to assume by carrying this over into the new institution. Also we visited Weaverville and went carefully over the grounds and buildings. Certain individuals had made most liberal offers of lands and money. But the buildings were not adequate and the money offered, while representing a noble spirit of self-sacrifice and Christian liberality on the part of some, did not hold out the promise of doing all that the Annual Conference had in mind when it set up our Commission.

In the meantime another factor had entered into the question, and this, in the end, became the determining element in reaching a decision. The Woman's Missionary Council, suffering for the want of money in these times of financial distress, had decided to concentrate their efforts at Vashti School, Thomasville,

Ga., and, after careful thought and much prayer, the women of the Council offered their properties at Brevard to the Western North Carolina Conference in fee simple and free from debt. As will be reported to you in more detail, these properties represent buildings in good condition, ready to occupy at any time, approximately \$4,000.00 worth of equipment of one sort or another, and one hundred and six acres of land, including one of the most beautiful and productive farms in North Carolina.

The Commission have, therefore, accepted for the Conference, the generous offer of the Woman's Missionary Council, and have located the new Co-educational Junior College at Brevard, North Carolina.

The Commission, having selected Brevard as the site for the merged institution, found it wise to take over the properties offered the Conference, since the women were vacating and concentrating at Vashti.

Title to all this property has been passed and the Commission take great pleasure in presenting to the Western North Carolina Annual Conference from the noble women of the Woman's Missionary Council properties worth, at a conservative estimate, not less than \$250,000.00.

In addition to this notable gift the Commission report to the Conference liberal gifts from the people of Brevard, all of which are listed and set forth in a separate report.

2. *Name.* Acting under your instruction to determine the name of the new institution, your Commission have chosen the name *Brevard College*.

3. *Charter and Trustees.* In accordance with your instructions, the Commission have prepared a form of charter and have nominated a Board of Trustees for Brevard College. These appear under the recommendations hereinafter submitted by the Commission.

4. *Completing the Merger.* The Commission had hoped to complete the merger of Rutherford College and Weaver College before this session of the Annual Conference, but we encountered obstacles which must be reported to this Conference.

The Annual Conference had ordered that "the available resources of each of these institutions shall be used in the payment of its own indebtedness before the merger shall be effected. Any other merger shall be null and void." Your Commission found that "the available resources" of Rutherford College would fall far short of "paying its own indebtedness," and, further, that these resources could not be made available immediately for the purpose. Your Commission have, therefore, been under the necessity, in consideration of men who are carrying financial obligations, as well as in consideration of the honor of the church, to give the Trustees of Rutherford College ample time to effect liquidation, and, accordingly, in our recommendations concerning this matter, we are going as far as we believe the Conference should go and will want to go at this time.

In the case of Weaver College, there is only a small indebtedness against the institution which is not sufficient to jeopardize the new institution. Your Commission see no reason, therefore, to delay the immediate merging of Weaver College with Brevard College and the assuming by the new institution of the indebtedness of Weaver College. The assets and liabilities of Weaver College will be itemized and fully set forth in another report from this Commission.

What has been done in carrying out the instructions of the Conference concerning Davenport and Greensboro Colleges, and the recommendations in regard to the same will appear in Report No. 3 of the Commission.

(Signed) EDWIN D. MOUZON, Chairman,  
J. F. SPRUILL, Secretary.

SPECIAL CONFERENCE EDUCATIONAL COMMISSION  
REPORT NO. 2RECOMMENDATIONS CONCERNING WEAVER, RUTHERFORD AND  
BREVARD COLLEGES

The charter of Brevard College, with the Trustees nominated, is herewith submitted for your adoption.

1. *Method of Procedure.* Looking toward the carrying out of the will of the Annual Conference in the merging of Weaver College and Rutherford College, your Commission respectfully suggest the following method of procedure:

(a) That the Conference adopt the charter for Brevard College and elect the Board of Trustees, with instruction that Brevard College be straightway incorporated;

(b) That the Conference instruct that Weaver College be merged with Brevard College. Brevard College, according to the law of the State of North Carolina, to take over all the assets and liabilities of Weaver College;

(c) That the Conference, without assuming any legal obligations in connection with the affairs of Rutherford College, give the Board of Trustees of Rutherford College further time to effect liquidation before its final merger with Brevard College is effected;

(d) That the Conference instruct that when the Board of Trustees of Brevard College shall have been elected, a meeting of that Board of Trustees be called before the adjournment of this Annual Conference for organization;

(e) That the Conference instruct the Board of Trustees of Weaver College also to meet during the session of this Conference, and that it further instruct the Board of Trustees of Brevard College, as soon as incorporated, and the Board of Trustees of Weaver College each to take the steps necessary under the law to merge in the consolidated institution, to be named Brevard College, Incorporated, under the same charter of incorporation adopted by this Conference and with the same Board of Trustees elected by this Conference for Brevard College, said merger to become effective with the close of the present Weaver College school year.

2. *Continuation of the Commission.* We recommend, in order to attend to all legal matters involved in the merger, and to carry out the will of the Conference in regard to the merging of Weaver and Rutherford Colleges in the new institution, that the Educational Commission, consisting of Bishop Edwin D. Mouzon, I. F. Craven, G. R. Jordan, J. T. Mangum, E. K. McLarty, J. F. Spruill, and J. W. Shackford, be continued; and that the Conference Board of Christian Education be authorized and instructed to fill any vacancies that may occur in the Commission during the year.

3. In view of the character of other educational institutions already established in the state, and in view of the large number of boys and girls desiring a college education but financially unable to attend these institutions, and in order to bring Brevard College within the financial reach of such boys and girls, and, at the same time, to provide a form of education that has its distinct advantages in character development and in preparation for useful living, your Educational Commission, having given careful consideration to this matter, recommend:

THAT Brevard College be projected and conducted as a *self help* junior college for boys and girls, and that provision be made for participation of the

students in such phases of farming and industry as may be practicable and as may seem economically and educationally desirable and otherwise feasible.

(Signed) EDWIN D. MOUZON, Chairman,  
J. F. SPRUILL, Secretary.

SPECIAL CONFERENCE EDUCATIONAL COMMISSION  
REPORT NO. 3CONCERNING THE MERGING OF DAVENPORT AND GREENSBORO  
COLLEGES AT GREENSBORO

At the 1932 sessions of the North Carolina Conference and of the Western North Carolina Conference an Inter-Conference Educational Commission, consisting of W. A. Stanbury, R. L. Flowers, and E. C. Few, for the North Carolina Conference; and W. W. Peele, G. Ray Jordan, and J. F. Spruill, for the Western North Carolina Conference, was appointed to consider inter-conference educational matters that might arise during the year.

Early in the spring of this year your Special Educational Commission, in carrying forward the instructions of the Conference concerning the merging of Davenport and Greensboro Colleges at Greensboro, requested "The members of the Inter-Conference Committee from the North Carolina Conference to co-operate with the members of the Inter-Conference Committee representing the Western North Carolina Conference, and with the assistance of Bishop Edwin D. Mouzon, and with the advice of counsel, to work out all details necessary to complete this merger, and to provide for carrying on the work of these two institutions until the merger here provided for shall have been completed."

The report of the work of this Inter-Conference Committee is made now to this Conference in this Report No. 3 of your Educational Commission.

Two things were necessary in preparing the way for the merging of these institutions as directed by the Conference: The preparation of a form of charter, and the nomination of a Board of Trustees.

A form of charter for the merged institution was submitted to the Trustees both of Greensboro and Davenport Colleges and each Board was invited to make suggestions of any modifications desired. These suggestions, so far as seemed practicable, have been incorporated in the form of the charter that is herewith submitted.

## RECOMMENDATIONS

1. We recommend that the name of the institution resulting from the merging of Davenport College and of Greensboro College be the hyphenated name of Greensboro-Davenport College.

2. The form of charter for the new Greensboro-Davenport College is herewith submitted for your adoption.

3. The Trustees nominated for Greensboro-Davenport College are as follows:

C. A. Bray

Mrs. Glenn Long

Marvin Wade

C. S. Wallace

Mrs. M. H. Courtney

F. C. Odell

Miss Anna Ogburn

Dr. Dred Peacock

4. We recommend that the Conference instruct the Boards of Trustees of Davenport and Greensboro Colleges to meet at the earliest practicable time, and each to take the necessary steps to merge in the consolidated Greensboro-Davenport College, under the charter adopted by this Conference, and with the Board of Trustees elected by the Conference.

5. In order to represent the Conference in co-operation with the North Carolina Conference in the completion of the merger of Greensboro and Davenport Colleges, we recommend that W. W. Peele, J. F. Spruill, and G. Ray Jordan, be appointed to act with a like number from the North Carolina Conference as an Inter-Conference Commission, with power, to complete this merger.

6. We recommend that the Conference request the Trustees of Greensboro-Davenport College to consider the advisability of operating an academy at Lenoir, North Carolina, in the buildings of the former Davenport College.

J. F. SPRUILL, Secretary.

SPECIAL CONFERENCE EDUCATIONAL COMMISSION  
REPORT NO. 4AN ITEMIZED LIST OF BREVARD PROPERTIES WITH TITLES TO  
SAME. STATEMENT OF ALL ASSETS AND LIABILITIES OF  
DAVENPORT, GREENSBORO, WEAVER AND  
RUTHERFORD COLLEGES

Your Commission has been most fortunate in securing the donation of the following properties for Brevard College:

The property belonging to what was known as Brevard Institute, consisting of about 106 acres of splendid farm land in a high state of cultivation with about sixteen acres in an apple orchard; with the following buildings located on it:

An administration building constructed of brick, offices, class rooms, laboratories, and auditorium that will seat about 250 people, and heating plant; a modern brick dormitory for girls, built about five years ago, that will accommodate about ninety-five girls, with a large basement built for laundry work, together with an up-to-date heating plant; the boys brick dormitory, known as Fannie Ross Hall, built about eight or ten years ago, that will room about 80 boys, with heating plant; Taylor Hall, a large brick building, which is now being repaired and made modern by the citizens of the town of Brevard and without cost to your Commission. This building is being reconditioned for dormitory purposes with a kitchen and central dining room for the college.

There are also three residences located on the campus of the college and on the farm some distance away is a modern dairy barn.

This property was deeded on September 20, 1933, by the Woman's Home Mission Society of the Methodist Episcopal Church, South, a Mississippi corporation, and Board of Missions of the Methodist Episcopal Church, South, a Tennessee Corporation, to E. D. Mouzon, I. F. Craven, G. R. Jordan, J. T. Mangum, E. K. McLarty, J. W. Shackford, and J. F. Spruill, Trustees, and their successors in office, to their only use and behoof forever in trust that said lands and premises shall be used, kept, maintained and disposed of for the purpose of Christian Education, subject to the order and direction of the Western North Carolina Conference of the Methodist Episcopal Church, South.

This deed is recorded in Book 66, page 142 et seq. in the office of the Register of Deeds for Transylvania County, North Carolina, the original of which is in the hands of W. H. Bobbitt, attorney for the Commission.

The above property is well located, is attractive and has no indebtedness against it. Its estimated value is about \$250,000.00.

In addition to the above property, your Commission obtained gifts of various other properties from the Commissioners of Transylvania County and various citizens in and around Brevard, as follows:

On July 14, 1933, 1,617 acres from W. E. Breese, Trustee for the Commissioners of Transylvania County, deed for which is in the hands of W. H. Bobbitt, attorney for the Commission.

It is understood that this land is located some distance from the above described property and consists mostly of woodland; among other things, it is expected to be used by the students of Brevard College in the study of forestry.

There is another deed dated July 14th, 1933, for a five-sixth undivided interest in two tracts of land, one containing 7.25 acres and the other 10.57 acres, made by J. H. Pickelsimer and others, deed for which is in the hands of W. H. Bobbitt, attorney for the Commission. The other one-sixth undivided interest in this land is owned by minors.

On July 14th, 1933, a deed made by C. W. Pickelsimer and wife to the

Commission for two lots Nos. 54 and 55 on Hilt Street in the town of Brevard, deed for which is in the hands of W. H. Bobbitt, attorney for Commission.

And also a deed made July 14th, 1933, by Mrs. Carrie Zachary and others to the Educational Commission of the Western North Carolina Conference of the Methodist Episcopal Church, South, for an one-half undivided interest in two lots located on Franklin Street in Brevard, the first containing about three-fourths of an acre and the second about one-fourth of an acre, deed for which is in the hands of W. H. Bobbitt, attorney for Commission. It is suggested that another deed be secured for this property made to the new Board of Trustees of Brevard College, naming them and their successors in office.

We also secured a lease dated July 14th, 1933, from Miss Florence Kearns, for a term of two years from date of same on a seven-room house and lot located in Brevard, which is in the hands of W. H. Bobbitt, attorney for Commission.

In addition to the above, the town of Brevard has agreed with the Commission to furnish free water to Brevard College for a period of six years.

There is also a tract of land containing about thirty-one acres to be conveyed to the Commission by Brevard Building and Loan Association, which deed has not up to this time been executed. The town of Brevard further donated some real estate but found when it started to make deed, a defect in the title to same and a good deed could not be made at that time. Your Commission is informed that the town authorities are taking the necessary legal steps to have the defect of title cured so that it may execute a good deed to the Commission for this property.

Your Commission is informed that a reasonable market value of all of the above property at this time is \$———.

Your Commission had an opportunity to purchase at a very low price, from the Woman's Council, farm implements, furniture and other personal property. The following is a list of farm implements purchased from the Woman's Council for the sum of \$50.00: 1 hay rake, 1 mowing machine, 2 single foot cultivators, 1 No. 20 turning plow, 2 turning plows (No. 10 & No. 13), 2 double foot plows, 1 double row cultivator, 4 single trees, 1 double tree.

The Woman's Council further gave the Commission the following shop tools of an estimated value of \$273.90: 1 set S-end wrenches, 1 two-inch paint brush, 4 work benches, 3 try-squares, 1 mill file, 1 jack plane, 12 two-inch plane bits, 1 one and  $\frac{3}{4}$  inch plane bit, 6 bench screws, 1 vice, 3 jack planes, 1 smoothe plane, 1 drill press, 1 hand saw set, 2 pair tin snips, 6 wood bits for drill press, 1 rat tail file, 1 band saw, 2 band saw blades, 1 18-inch circular rip saw, 1 set do-do saws for planer, 1 cut-off saw (18-inches), 1 combination planer and saw, 1 blacksmith forge, 1 anvil, 1 heater, 20-foot leather belt, 30-foot rubber belt, 1 2-inch rubber belt (10 ft. long), 1 4-inch leather belt (10 ft. long), 3 emery wheels, 1 emery wheel dresser, 1 emery stand, pulleys, shafting and hangers.

## SPECIAL CONFERENCE EDUCATIONAL COMMISSION REPORT NO. 5

Your Commission have given a great deal of time to the consideration of the problems of Rutherford College and have earnestly sought to find some satisfactory solution. As already reported to you, in view of the conditions, we could not recommend merging Rutherford College at this time with Brevard College; and, in asking that further time be given to the Trustees of Rutherford College for the liquidation of the indebtedness lying against that institution, we have done so with the desire that every possible consideration be given to the honor of the Conference and to those brethren who are financially obligated for the debts of Rutherford College.

Inasmuch as any action of the Conference in this matter must necessarily be based upon a knowledge of the facts, the Commission feels that it cannot do other than to present a brief statement of these facts and that it cannot at this time go further than to make the recommendation that follows:

From the best information obtainable by the Educational Commission, the indebtedness of Rutherford College is approximately as follows:

|  |                    |
|--|--------------------|
| First Mortgage Bonds on Real Property .. .. .                            | \$14,000.00        |
| Second Mortgage Bonds on Real Property .. .. .                           | 29,000.00          |
| Due to Banks .. .. .   | 12,000.00          |
| Due to Teachers for Salaries, Various Notes, Accounts Payable, etc. .... | 29,000.00          |
| <b>Total .. .. .</b>   | <b>\$84,000.00</b> |

Of the \$29,000.00, Second Mortgage Bonds, the Commission is informed by the Board of Trustees of Rutherford College that in December, 1933, \$10,000.00 of this amount was purchased by the Board of Trustees of Rutherford College with the Trust Funds of the institution, and is held by them as an endowment.

The Commission has been informed that the remaining \$19,000.00 secured by Second Mortgage Bond, due in \_\_\_\_\_, 1938, were purchased by various persons upon presentation that the security behind these bonds was ample.

It is clear that there is no legal obligation upon the part of the Conference. The Board of Trustees of Rutherford College has no legal right to make the Conference a party to any of its obligations. The Conference is not a body corporate, and cannot make debts, nor can it sue or be sued.

We believe, however, that the Conference can make a donation in any amount it sees fit for the purpose of aiding in the payment of any part of the obligation of Rutherford College.

We, therefore, recommend:

THAT the Conference Treasurer be instructed to pay each year for the next four years to the Treasurer of the Board of Christian Education the sum of \$1,140.00 for the payment of the coupons of the \$19,000.00 Second Mortgage Bonds of Rutherford College as they may mature.

If all of the \$19,000.00 of the aforesaid Second Mortgage Bond shall be paid, or liquidated at any time prior to their maturity, or any part of the principal sum shall be paid prior to their maturity, this sum of \$1,140.00 shall be

reduced in proportion so as to pay the six per cent per annum upon the remaining bonds outstanding.

(Signed) EDWIN D. MOUZON, Chairman,  
J. F. SPRUILL, Secretary.

## BOARD OF CHRISTIAN LITERATURE

### PUBLISHING HOUSE

Our Publishing House, in the face of changing conditions, continues to furnish good books and periodicals at the lowest prices consistent with production costs. By an extensive comparison we find that the prices of our Sunday school literature and other periodicals are less in proportion than may be secured elsewhere. The *Christian Advocate* most creditably represents the thought and life of our denomination; it contains important information concerning religious movements within our church and throughout the world. No church has a weekly paper with higher merit. The publishers have used vigorous methods to circulate it, and the aid of the ministers and laymen in this Annual Conference in securing a large number of subscriptions is earnestly solicited.

### THE NORTH CAROLINA CHRISTIAN ADVOCATE

The immediate concern of the *North Carolina Christian Advocate* is the year ahead. The perilous condition of our *Advocate* family, the reduced income from subscriptions and the reduced hours under the NRA call for co-operation on the

part of all if we are to continue to issue a paper such as we so much need in North Carolina. Individuals, boards and institutions of our church must turn all job work possible to our shop, and a united and continuous effort be made to circulate the *Advocate*. Pastors, the superannuates, widows, shut-ins, on the recommendation of pastors, get the paper free. This entails a cost of approximately \$3,000. In these last five years advertising has dropped from \$12,193.03 to \$3,027.74 this year. Even with the drastic economies made, the situation calls for united action.

Men of thought and discrimination say the *Advocate* has come to be more than a church organ, that it is a positive social, moral and religious force in the life of the state. If we, as a church, expect to be a real force in the life of our people, the output of the printing press cannot be neglected. This costs money, sweat and blood.

We urge the payment of all accounts due the *Advocate*, whether large or small, and that all individuals, boards and institutions, such as our colleges, turn all possible business towards our print shop, and that pastors show increased diligence in securing renewals and new subscriptions. This must be done if our paper is to keep going these tense times.

We recommend that the Conference elect D. B. Coltrane to succeed himself on the Methodist Board of Publication, and that Bishop Mouzon appoint A. W. Plyler, Editor and Assistant Business Manager of the *Advocate*.

A. W. PLYLER, Chairman,

W. A. BARBER, Secretary.

## BOARD OF MISSIONS

Your Board of Missions has given prayerful consideration to the work committed to it.

This has been a most difficult year. World-wide economic conditions are reflected in lessened income and, therefore, reduced appropriations. Nevertheless we find occasion for taking courage. The Board is able to make appropriations totaling an amount only 10% smaller than the level for last year.

The Duke Endowment has made possible to our Conference many advanced movements, many comforts and withal a greatly enlarged field of service. This appears from the following report:

FROM NOVEMBER 1, 1932, THROUGH OCTOBER 31, 1933:

## BOARD OF CHURCH EXTENSION

The Board has carefully considered each application presented and has allotted funds coming into its hands for distribution to the best of its ability. The amount received for distribution is smaller than it has been for some years. Many worthy projects have been presented and it is a matter of regret to the

Board that it has not been able to grant in many instances the full amounts requested.

Many applications were not fully completed and the members of the Board were unable on this account to get such information as would enable them intelligently to pass on the projects. This matter has been emphasized in our annual reports to the Conference for many years, and the co-operation of pastors and Presiding Elders is earnestly requested so that there may be no delay in giving consideration to applications. Many applications are not handed to our Secretary until after Conference has convened. We desire to stress the importance of sending in applications to our Secretary at least ten days in advance of the opening date of the Annual Conference so that any omissions or corrections may be made before being presented to our Board for consideration.

We wish again to emphasize the importance of carrying adequate fire insurance on all church property.

An allotment of \$200.00 to College Place Church and \$300.00 to Chapel Hill Church has been made by this Board to apply on interest on indebtedness of these churches on the condition that the Boards of Missions and Church Extension of the North Carolina Conference and Board of Missions of the Western North Carolina Conference make appropriations for the same purpose.

In addition to the above, the following donations have been granted:

### BOARD OF FINANCE

Owing to the continued annual decrease of funds available for the use of this Board, we strongly recommend the Presiding Elders and pastors to give serious thought and action to the requests of this part of our church activity. Some of our claimants will suffer because of the lack of adequate support.

Your Board has suffered a decrease of over \$5,000.00 this year as compared with last year.

Rev. C. S. Kirkpatrick has been chosen as the Director of the Superannuate Endowment Fund in the Conference. He is directed to use his own judgment as to the manner and time for presenting the cause for special emphasis.

## COMMISSION ON BUDGET—REPORT NO. 2

It is recognized that there are certain items of incidental expense that are matters of legal contract, and must be paid in full, yet your Commission on Budget calls the attention of the Conference to the condition that seems to prevail in many pastoral charges, namely, allowing whatever deficit there may be in the church budget to fall upon the Conference Collection. The incidental expense items, the pastor's salary, the Presiding Elder's salary, and other purely local items, are often met 100%, while the item of Conference Collection is robbed of part or all of its just proportion of the budget. As a matter of common honesty and justice, this practice should be ended.

Your Commission would also direct your attention to PP 255 of the Discipline of 1930 which reads in part as follows: "that no Board of Stewards or pastor shall incur any indebtedness for the payment of the preacher's salary or the benevolences which indebtedness shall be left upon the charge for the successor to raise." This phase of the law is being violated and its violation has become a handicap and a serious embarrassment to the churches and to the pastors who are called upon to raise these debts.

No pastor can honestly report that everything is "paid in full" when money was borrowed to make such report possible. Since under our polity, no pastor can know that he will succeed himself on a charge, your Commission deems it an infraction both of the spirit and the letter of this law to create such indebtedness in any year of a pastorate. It is not just that one pastor should pay the

price of another's apparent success. In this respect, at least, every man should bear his own burdens. We recommend that the Conference Treasurer be instructed to give journal credit for no checks on Conference funds until such checks have cleared the banks, and in case any checks should be returned to the Treasurer unpaid, he be instructed to deduct the amount of such check from the report in the journal before it goes to press.

We recommend that the apportionment for the Children's Home continue at an amount equal to 10 per cent of the pastor's salary for the current year; that the fifth Sunday offering by all our Sunday schools continue as a free-will offering to the Home; and that the fifth Sunday offerings and all other contributions for maintenance to the Home be reported in a separate column in the Conference Journal.

We nominate Rev. E. O. Cole for Conference Treasurer at a salary of \$300.00 per year.

(Signed) M. T. SMATHERS, Chairman,  
JAMES E. LAMBETH, Secretary.

## SUPERANNUATE ENDOWMENT FUND

The Trustees report:

(1) That the terms of office of J. B. Ivey and M. D. Stockton, as Trustees, expire with this Conference, and their names are recommended by the Trustees for re-election for a term of four years.

(2) That under the rule of the Conference the funds of this Endowment are invested in first mortgage real estate bonds. In the main, the real estate securities are considered ample to protect the respective loans, but on account of the depression in real estate values, there may be a few instances in which it may become necessary to foreclose, and in such contingency, it is important that the Trustees be authorized to bid in or buy the property, if necessary, to protect the loans, and the authority of the Conference is asked to that end.

(3) The Treasurer's account, duly audited, is being filed herewith for the current year, and asked to be taken as a part of this report, the interest check being \$7,515.08.

## CONFERENCE TRUSTEES

The Conference Trustees submit herewith the annual cash report of our Treasurer.

As a means of protecting the interests of our Conference and of our Children's Home, your Trustees unanimously recommended the transfer of \$40,000.00 first mortgage bonds, known as our Heath Fund, in order to save unnecessary taxes and to facilitate foreclosure proceedings; these bonds were transferred to Wachovia Bank & Trust Company, Trustees for Children's Home, Inc., in the early part of this year. We ask that you approve this action in the adoption of this report.

The stock assessment of \$500.00 by Citizens Bank of Yancey, which we were required to pay in 1932, proved the beginning of a series of losses in interest income, frozen bank deposits, foreclosure sales, tax assessments and other expenses which, we regret to say, left us without funds to pay our superannuates and the other worthy causes to which we have contributed annually.

Warranty deeds have been secured by foreclosure proceedings to replace bonds

which we held in the total amounts of \$40,825.00. It will likely be necessary for us to make other foreclosure sales during the coming year.

The following officers of our Board have been elected for the ensuing year: J. B. Ivey, Chairman; C. C. Weaver, Vice-Chairman; A. W. Plyler, Secretary-Treasurer.

J. B. IVEY, Chairman,  
I. F. CRAVEN, Secretary.

### HOSPITAL BOARD

The Hospital Board submits the following:

#### SECTION I:

We wish to make the following report for the Hugh Chatham Hospital for the year ending October, 1933.

Eight hundred and sixteen patients have been admitted during the year, totaling 5,839 days for care. Of this number, 197 received major operations and 218 received minor operations; 294 of the 816 patients were charity patients, totaling 1,738 days of free care. These free patients represented every district in our Conference except Asheville, and cost the hospital \$5,909.20. To this amount should be added 1,864 days of free care for patients who were able to pay a small part of their expenses. This cost the hospital \$6,337.60, making a total of free work done by the hospital in the amount of \$12,246.80. We have received during the year \$24,928.29 and have disbursed \$24,650.70, leaving us with outstanding obligations of \$862.07 and with accounts receivable in the amount of \$16,717.89. The cost of operation has been reduced from \$3.85 per patient day to \$3.40.

At the beginning of this Conference year, the hospital had outstanding obligations as follows:

|   |                 |
|---|-----------------|
| Operating account .....   | \$3,341.11      |
| Construction work on Nurses' Home .....                                 | 200.00          |
| Note to Board of Missions (to be paid in three equal installments) .... | <u>4,500.00</u> |

To meet these obligations the Golden Cross had on hand the sum of \$1,138.-86. Since that time we have paid on the note held by the Board of Missions, \$1,635.00, and reduced the outstanding obligations against the hospital and nurses' home from \$3,411.11 to \$800.00; have raised for the Golden Cross, aside from regular collections, \$1,843.68; have equipped a laundry that has saved the hospital about \$100.00 per month.

In addition to the above, there has been raised and turned over Golden Cross funds to the hospital for operating expenses, \$1,151.88.

The General Hospital Board, at its meeting in St. Louis, agreed to take over the indebtedness of our Conference Board. Their Secretary, through a resolution passed by the General Board, executed a note for \$3,000.00 to be paid with such interest and at such time satisfactory to the General Hospital Board and our Conference Board of Missions.

There is, in the General Hospital Board at Atlanta, Ga., a sum of \$25.33, held from the beginning of the hospital movement. We ask that they be authorized, by action of our Conference, to apply this sum on this note due our Board of Missions.

We are glad to announce that there has been a splendid increase in the enrollment of the Golden Cross Society this year, with an offering of more than \$4,000.00.

#### SECTION II:

We recommend the confirmation of the following Directors for a period of three years: W. A. Neaves, Mason Lillard, and Alex Chatham, of Elkin, N. C., and Thurmond Chatham, of Winston-Salem, N. C.

We recommend the appointment of Rev. L. B. Abernethy as Director of the Golden Cross, and Rev. E. J. Harbison as Assistant Director for the Conference.

(Signed) J. B. IVEY, Chairman,  
E. J. HARBISON, Secretary.

## BOARD OF TEMPERANCE AND SOCIAL SERVICE

Since our last annual session, major changes have been made in the laws regulating our relations to the government and to one another. These changes are too recent for the church to attempt appraisal of their moral values. For the present we must use that well-worn phrase, "Noble experiment, moral in purpose." In common with all other institutions, the church must work under these regulations as it strives to bring moral integrity into the thought of the people concerning the relations affected by these changes.

The Methodist Church will not recede from her historic position on certain great moral issues, such as: World Peace and International Good Will; Christian citizenship, giving unstinted support to the right side of every question; industrial relations, founded upon the will of Christ and the brotherhood established by him; interracial co-operation, founded upon mutual respect for human personality.

The revolution now in progress necessitates a re-study of the very bases upon which our special compact rests, and rebuilding the structure of our inter-relations with one another, with the government, and with Almighty God. These relationships have not changed, but must be placed in the light of the new day as well as in the perspective of the New Deal.

## INTERNATIONAL RELATIONS

The signing of the Kellogg Peace Pact in July, 1928, thrilled the heart of the world with a sense of security. Already both the spirit and the letter of the pact have been violated by Japan in her relations to China. Even more startling than this action on the part of Japan is the fact that no nation, indi-

vidually, or the League of Nations, collectively, has made effectual protest against this violation of most solemn obligations. So we are back again where invasion, rapine, and wholesale murder are perpetrated by a nation with whom international treaties have become mere scraps of paper.

Only the church can develop that fortitude of soul in which peace becomes imperative, and peaceful intent shall govern a world. In the face of these violations, our own nation may, at any moment, find itself upon the brink of the bloodiest war in the history of the world. With a navy already massed in the Pacific Ocean; with the feverish action with which we rush to increase our navy, appropriating therefor hundreds of millions of dollars; with hundreds of thousands of boys and young men already massed in training camps, and with the recognition of Soviet Russia, it behooves the American citizen to give solemn thought to the implications of the situation. We must not again be hurried into war.

### RACIAL RELATIONS

Just now racial relations demand a large place in our thinking. The formulation of codes governing the various industries has resulted in throwing many thousands of negroes out of employment. It will not be easy for them to regain the position from which they have been thrust by the exigencies of the N.R.A. or the "National Recovery Act." A law which may be good in itself may become desperately evil through its administration. Our people can do no less than see that the negro is retained in his historic position as a laborer in the industries of the South. While that position has been handicapped, and many hardships imposed upon the negro because of his color, to now deny him the means whereby he may earn a livelihood would be so unchristian as to merit the contempt of all men of good will.

The negro just now is beset by another danger. His path is forever shadowed by the dark designs of cruel men. These designs encompass death itself, with or without provocation. Lynching is all the more degrading because men of depraved appetites, and in mass movement, commit murder with impunity. Most men who engage in mob action are cowards at heart, and in union with the mob do those wicked things which craven fear inhibits in the individual. This degenerate type of mind is all the more dangerous when inflamed by alcohol. The legislation of beer by the legislatures of the several states and the exaltation of alcohol by the National Government, together with the base surrender of those charged with law enforcement, has already borne bitter fruit. Since March 1st of this year we have had twenty-one mob murders in the South, all of the victims being negroes. This is a record of more lynchings in eight months than we had in the twenty-six months preceding. Surely the recital of this bare fact might jar us wide awake to the growth of this disgraceful evil.

This record would have been far worse had not certain brave men, worthy of our commendation, withstood the murderous mobs with such determination as to cow them. To our shame it must be told that certain other officials basely surrendered to the mob and retreated, leaving the victim in the hands of his pursuers. The vocabulary of the Christian contains no words to describe adequately an officer of the law who surrenders his prisoner to a mob when he knows that by so doing he has sentenced the victim of his cowardice to horrible torture and certain death.

One of the things that should engage the thought of all Christian people is the plight of our public schools. With an increasing population, public school facilities have been reduced. Through lack of teachers, many rooms in our public schools now stand unoccupied while little children are herded and crowded into rooms filled far beyond their intended capacity, where they must be taught by teachers harassed by the knowledge that they cannot give proper instruction to such overcrowded units. To add to their burdens, the salaries of these over-

worked teachers have been reduced below the level of the ignorant truck driver who collects the garbage from our alleys. No state that places a higher value upon garbage collection than it places upon immortal souls can long endure. The politicians who are responsible for such a situation will never correct it until they are forced to do so by an enlightened Christian sentiment and we should remember that politicians who deal in ignorance never learn.

And we, as Christians, must remember that conditions in negro schools occupy that relatively inferior status which has always been assigned them. The present situation is deplorable indeed. These things are not political in any partisan sense, but have grown like weeds in fields long ploughed by prejudice and impoverished by neglect. The preservation of our public school system unimpaired is a form of conservation that should engage the support of every Christian. We are persuaded that the great mass of our negro population still trusts us and looks to us, motivated by a real affection and directed by helpful understanding.

### TEMPERANCE

The fact that the two Carolinas could not be driven or cajoled into support of the 21st Amendment to the Constitution is most gratifying to our citizenship. In this campaign, the churches have demonstrated their strength; political leaders who had attained unto a kind of prominence—and who played upon the misery of the people and the attendant confusion—are now on their way back to oblivion. Let us pay the honor due those other leaders who, at great sacrifice of time, strength and business and professional interests, gave themselves without stint or limit, during a period of weeks, to telling the truth about prohibition and law enforcement to large gatherings of people throughout North Carolina, and thus rallied the dry forces of the state to the preservation of prohibition within its borders. These two states are as dry land, emerging from an ocean of alcohol. The deluge has swept over the nation. The Carolinas must remain dry, for islands tend to become continents. Here is the muster ground upon which the armies of the Lord may again assemble and train for the ceaseless warfare against those intemperate evils which have so suddenly become the shibboleths of certain political leaders and the watchwords of the political plunderers. We have beaten them in a fair fight, and shall continue to do so until the Kingdom come. It is the business of the church so to exalt conviction that it shall take precedence over prejudice. Let us make prohibition in North Carolina so efficient that our people shall prosper in all good things and continue their progress toward the establishment of a Christian state until that prosperity becomes the permanent possession of all the people.

When the war for American liberty had been lost and the enemy had plundered the nation, the hill-men of the Carolinas struck at King's Mountain and Cowpens and Guilford Court House and, by so doing, established the nation. We can do it again. We will not follow after strange gods. Let the nation come back to us, that it may be a nation of sober men, and not a mob sodden in drinks. We lift up a standard to which the people may repair.

MRS. W. A. NEWELL, Secretary.

### BOARD OF LAY ACTIVITIES

The Board of Lay Activities submits the following report and recommendations:

We express deep appreciation and gratitude for the marked increase in the spiritual and economic life of our Conference, in which we are glad to have had a part, though small.

In the days of unrest and chaos, we believe that the prime need of all our people is a re-birth of conviction and passion for the return to the paths of honesty, frugality and Godliness and that the practical application of the teachings of Jesus affords our best method of providing a curative remedy for the ills of the world. We are in a day when the church is struggling with turbulent and reckless forces that have caused much apprehension in the industrial, economic and social life of our people, and we believe that the outcome of this struggle is contingent upon our loyalty and devotion to the church, and it is here that the laymen meet their highest challenge and responsibility. In the light of these conditions we call upon all of our people everywhere to dedicate anew their lives, their money, their talents, their time in sacrificial service to the church and to stand solidly back of our pastors to the end that the work of the church may prosper and the extension of Christ's Kingdom may be promoted in the carrying out of His purposes in behalf of our people.

We believe that we are God's stewards, and as such we owe to Him at least the tithe of our whole. We, therefore, suggest that our people adopt this method of giving and that "upon the first day of the week let everyone of you bring of your tithes as God has prospered you." We believe that then our financial difficulties will cease.

We request that each station, charge and circuit, regardless of size or extent, conduct a complete every-member canvass and secure a weekly pledge, where possible, and that a balanced budget be carried up to each Quarterly Conference.

We recommend that our Conference set aside a Sunday to be observed throughout its bounds as "Layman's Day" and that it be observed rigidly.

We are sending to each of our preachers a subscription to the *Methodist Layman* and request that our laymen subscribe to this periodical and to the *North Carolina Christian Advocate*, as we feel that without these no layman can be entirely familiar with the work of our church.

We regret to learn that, in some instances, our benevolences have suffered, due to the fact that these funds have been illegally diverted to meet local expenses and pastors' salaries. To the end that this practice may cease, we suggest that the preacher in charge be directly or indirectly responsible for the raising of our benevolences.

We have elected C. E. Morgan, Secretary, and Thomas C. Hoyle, Treasurer.

We express our appreciation of the faithful and efficient work of our Conference Lay Leader, Brother James E. Lambeth, and nominate him as Conference Lay Leader for the ensuing year and recommend his election.

## THE CHILDREN'S HOME

In 1910, when the Children's Home was only about a year old, Dr. G. H. Detwiler, then Chairman of the Board of Trustees, opened his report to the Western North Carolina Conference with the following significant paragraph:

"We, your Board of Trustees, feel constrained to express our thanksgiving for the good providence which has so kindly guarded and so earnestly blessed the institution which you have entrusted to our care. We feel if there is any one spot where God's angels of mercy keep an unceasing vigil more than another, it is the sunny hillside where stands our Children's Home. We believe that in a special sense the guiding watchcare of our heavenly Father has been over us

in the work of the past year and that in many ways beyond our wisdom has the work been guided by a hand unseen."

That which was so fittingly said by Dr. Detwiler twenty-three years ago still holds good. Many evidences certify to the fact that our heavenly Father's richest benedictions have hovered over and around the fatherless and motherless children gathered in for your safe-keeping and direction.

There are at present 341 resident children enrolled at the Home, 171 boys and 170 girls. These children range from three to nineteen years of age. Our mothers' aid family now numbers 122 children. It is, therefore, evident that your Children's Home is now providing for 463 children, 203 more children, 101 resident children and 102 mothers' aid children, than were being provided for three and one-half years ago.

Two great questions continue to challenge the interest and attention of your governing board. The first has to do with the rearing of children; the other with the financing of the institution.

Our resident family of 341 children has been gathered in from the various sections of our Conference. Many of these children have come from very poor environment and from very distressing circumstances, some having been snatched from lives of certain criminality. They have come to the Children's Home for proper cultivation and direction in their development into useful and profitable lives.

Three hundred and twenty-one of these children are in school, 86 of this number attending the Richard J. Reynolds High School, located outside our boundary limits. The records and attainments being achieved by these children and youths are very satisfactory and encouraging. Our high school boys and girls offer many evidences of development in curricula and extra-curricula activities. Our present senior class numbers twenty promising youths.

Our vocational guidance work is valuable to our children and profitable to the home. Every child over about nine years of age has definite work to perform, this work being determined by the preference and aptitude of the youngster. Our family enjoys its work as well as its play.

Our boys and girls have ample opportunity for play and social activities. A constructive athletic program is provided. Ample social features abound, thus providing for the instinctive desire of youths to mingle with one another in wholesome comradeship. Every effort is being made to make the training and surroundings at the Home prepare our youths for actual living.

Religious training goes hand in hand with religious experience. Our children are taught through precept and example the Christian way of living. Every year witnesses a large number of our children joining the church. All children over nine years of age are members of the church and each one contributes to its budget.

The second challenge your Board has to face is that of refinancing the institution. Through very careful management and the strictest economy we are enabled to report that the Children's Home continues its operations free of debt. However, this record has been attained at the expense of inadequate salaries and a curtailed extension program. We regret to report that financial receipts from the ten per cent apportionment and fifth Sunday offerings, congregational opportunities for sustaining our large foster family, show a continued decline.

But for special contributions from individuals, Sunday school classes and missionary societies, the Children's Home would not be able to operate within its income. We urge that special effort be put forth during the ensuing year for an early raising of the ten per cent apportionment and that intensified effort be made for securing enlarged fifth Sunday offerings. We earnestly urge that these two sources of income be kept separate and that no fifth Sunday offerings be

used to pay the ten per cent apportionment. An increased number of children cannot be properly provided for with a decreased income.

James G. Hanes, of Winston-Salem; J. Raymond Smith, of Mount Airy; and E. R. Bucher, of Charlotte, have been elected to membership on your Board of Trustees and are submitted to you for confirmation.

G. F. IVEY, Secretary.

### COMMISSION ON SPIRITUAL LIFE

Your Conference Commission on Spiritual Life shares most heartily the following appeal from the General Commission on Spiritual Life:

"From the beginning the credentials of Methodism have been the evangelistic passion and the evangelistic message. Their one mission was to bring all men into a saving knowledge of the truth as it is in Christ Jesus.

The normal mood of Methodism is the evangelistic mood. A Methodist Church which does not evangelize may have names and members, but it lacks meaning. There can be no effective substitute for the evangelistic passion.

"In the beginning every Methodist was an evangelist. They had more than a faltering hope that their sins were forgiven. They enjoyed the 'full assurance' of redemption. As a result there rose up a great crowd of witnesses—some of them rough and unlearned, but they knew their facts, and were hot and eager to bear testimony to the power of the living Christ.

"The disintegration of the normal home life, the lack of reverence for law, the sag in the moral idealism of our people reveal that our world is sadly in need of redemption. Our help must come from God, or it comes not at all. Once our hearts are set on fire by the love of Jesus, the victory is assured. With a new vision of the Saviour, a more complete surrender to His mastery, and a new yielding to His redemptive purpose, with hearts gladdened and uplifted to His presence, let Methodists everywhere go forth to sing, 'O let me commend my Saviour to you'."

Sharing these convictions we offer the following recommendations:

1. That our pastors plan and practice constant observance of the morning watch, with a prayerful study and meditation upon the Word of God.
2. That our pastors encourage parental evangelism through the family altar, and personal devotions, to the end that there may be in the homes of our people a religious atmosphere for the encouragement of home religion.
3. That we co-operate with the Department of Evangelism of the Federal Council of Churches in their program of Childhood and Youth Evangelism during the year 1934. To do this we feel that our program of evangelism should be planned with the needs of our young people in mind.
4. That evangelistic services be held in every church, with the prayerful appeal both from the pulpit and in personal interviews, reminding the people that "Jesus identified Himself with broken and disinherited outsiders; with the lost, the least, and the last."
5. That as a part of our Easter program a service of meditation, inspiration, and consecration be arranged for the hours between twelve and three o'clock on Good Friday. This service may be a union service.
6. That our District Conference programs provide for one-half day to be set apart for emphasis upon spiritual life, giving prominence to the subject of evangelism. We earnestly request our Presiding Elders to provide time for this important interest of our church.

HOWARD P. POWELL, Secretary.

## MANAGERS OF PASTORS' SCHOOL

The 1933 Pastors' School met at Duke University last June and was, in many respects, the most successful school ever conducted. Several instructors have already been lined up for the school of 1934 and there is reason to believe that the interest will be increasing.

For the first time the school co-operated with the Institute of International Relations, being held simultaneously with the sessions of the Pastors' School. This is the first time a session of the Institute of International Relations has been held in the South.

Present plans are for the Institute and the School to co-operate in their work at Duke next June.

For the benefit of preachers serving mission charges, this Board has suggested scholarships, not to exceed \$10.00 each, the total amount so expended not to exceed \$200.00. Money so granted shall be expended for the payment of expenses incurred in attending the Pastors' School and shall be made available on the closing day of the School. Only those receiving two units of credit shall be considered eligible for these scholarships. The scholarships are to be awarded after consultation and in co-operation with the Presiding Elders of the two Conferences.

The Executive Committee of this Board at its meeting in July, 1933, passed the following resolution: It was moved by J. F. Kirk that we request the Board of Missions of each of the supporting Annual Conferences to increase its appropriation \$100.00 in view of certain scholarships to be granted to pastors working on mission charges. M. T. Plyler and J. M. Ormond were appointed to present this matter to the Board of Missions of the North Carolina Conference. H. G. Hardin and W. B. West were appointed to present the matter to the Board of Missions of the Western North Carolina Conference. This motion was carried.

It is expected that at Duke University next June an institute designed primarily for rural ministers in all the denominations in the state of North Carolina and adjacent territory will be held. It is hoped that the Pastors' School can work in co-operation with this proposed institute as it did in 1933 with the Institute of International Relations, and that the institute for rural ministers may be worked out on a scale that will justify a large attendance, and that a goodly number of instructors and speakers may be secured.

Dean J. M. Ormond reports:

## NUMBER OF CREDITS RECEIVED

| North Carolina Conference .....         | 56  |

| Total .....                             | 188 |

The members of the Board of Managers whose terms expire at this session of the Annual Conference are:

North Carolina Conference: W. A. Stanbury, W. V. McRae, and R. L. Flowers.  
Western North Carolina Conference: J. T. Mangum, C. H. Moser, W. B. West, and H. G. Hardin (deceased).

## BIBLE BOARD

During the past year the Bible, in whole or in part, has been translated in the following countries: Several tribes of the American Indians, for some tribes in Guatemala, for tribes in the Belgian Congo, and in the Phillipines, and under way in Peru and the Sudan.

The Scriptures are now read in 933 dialects and languages and the entire Bible in 173 different languages.

Prices have been reduced so that a splendid bold-faced type Bible can be had for 50 cents, and smaller type for 25 cents, and the New Testament in strong paper cover at 5 cents.

During the year 1932 the American Bible Society alone distributed 8,067,156 Bibles, Testaments and Portions. From several foreign countries the demand has been greater than ever before.

This same Society has put into circulation more than 245,000,000 copies during its existence.

During the past year 4,400 volumes of embossed Scriptures have been distributed at home and abroad to the blind.

Your Committee would call attention to Universal Bible Sunday promoted annually by the American Bible Society. This year the date falls on December 10, the second Sunday in December. The theme will be "The Light Shineth in Darkness." Attractive material will be mailed to every pastor and will include suggestions for churches and Sunday schools caring to include a pageant or dramatic exercises.

Your Committee would further remind you that the American Bible Society serves the pastor in providing stereopticon lectures on Bible work; in publishing Scriptures in various forms for unusual parish needs, including Bibles in large print; in furnishing posters, leaflets, and information for lectures, addresses, and sermons; and in publishing Hebrew and Greek Scriptures for study use.

The American Bible Society looks to the churches of America for financial support in its program. During 1932 the income from living donors fell 22.5% below that of the preceding year. Like every religious organization the Society is feeling the results of the economic situation and should be generously supported in these days of financial anxiety. The budget of the Society is carefully studied by an Advisory Council composed of officially appointed representatives of all the supporting denominations meeting annually in New York City with the officers and Budget Committee of the Society's Board of Managers.

Your Committee respectfully presents for adoption the following resolutions:

WHEREAS, The American Bible Society, in carrying on its work of increasing the circulation of the Scriptures, is engaged in a task essential to the whole Christian enterprise, be it resolved:

FIRST: That we heartily endorse the efforts of the American Bible Society in its program of encouraging a wider circulation of the Holy Scriptures;

SECOND: That inasmuch as Sunday, December 10, 1933, has been designated as Universal Bible Sunday, the ministers of this body co-operate in directing the attention of their congregations on that day to the important place in the Christian faith which the Holy Scriptures occupy;

THIRD: That this body, recognizing that our denomination has officially recommended the giving of one per cent of its benevolence budget to the American Bible Society, rejoice in the amount we are able to give to this cause and wish it were many times more than it is.

E. MYERS, Chairman,  
T. J. CARSON, Secretary.

### COMMITTEE ON LAKE JUNALUSKA METHODIST ASSEMBLY

It seems assured now that the receivership of the Assembly will be terminated this fall or winter, and the property restored to the Trustees with more than three-fourths of all indebtedness legally wiped out and the remainder extended on long and easy terms.

During the past season the cottages were all occupied and the attendance was good, considering the times and the competition of the Chicago World's Fair. Mr. James Atkins, receiver, discharged his duties admirably and pleased everybody by his careful management and courteous treatment of all patrons. The program was excellent and the Conferences and Training Schools were well attended.

It may be safely said that when again taken over by the Trustees, the Assembly will be on a sounder and more permanent basis than ever before.

We recommend that E. A. Cole be elected Trustee for a term of two years.

J. S. HIATT, Chairman,  
R. C. GOFORTH, Secretary.  
C. C. WEAVER,  
J. B. IVEY.

### DISTRICT CONFERENCE RECORDS

Your Committee on District Conference records has examined the record of each District Conference.

We are pleased to report that all the records have been faithfully kept with the exception of the Salisbury District record, in which the Secretary failed to record the reports of the Committees.

G. W. VICK, Chairman,  
F. O. DRYMAN, Secretary.

### THE JOINT COMMISSION ON METHODIST CO-OPERATION

The Joint Commission met in the editorial office of the *Christian Advocate*, Greensboro, N. C., November 8, 1933, with members present from the three Conferences: North Carolina and Western North Carolina, M. E. Church, South,

and the North Carolina Annual Conference of the Methodist Protestant Church. We pass on to you the result of our deliberations:

1. We are glad to report a continuance of the spirit of fraternity and co-operation between the two denominations represented in this Commission, a spirit that is being manifested in many ways. Perhaps the greatest help to a development of this fraternal feeling is coming through the Training Schools for Christian Workers, and which have in them great possibilities for co-operative effort. We suggest that, wherever it is possible, joint schools be arranged for, to be taught by accredited teachers from both denominations.

The General Conference of the Methodist Episcopal and the Methodist Protestant Churches, meeting last May, adopted the following recommendation growing out of the report of the Commissions on Church Union: "We unite in recommending the creation or continuation of Commissions authorized to begin at once after May, 1934, definite efforts on the part of the three Commissions to make and agree upon plans for the union of the three churches, and others that may enter upon the negotiations."

To that end your Joint Commission on Methodist Co-operation memorializes the General Conference of the Methodist Episcopal Church, South, meeting in May, 1934, at Jackson, Miss., the working out of a ten-year plan, similar to that which led to the reunion of British Methodism, to begin with the celebration of the Christmas Conference and ending with the centennial of the organization of the Methodist Episcopal Church, South, in 1944, looking toward the reunion of American Methodism at that date.

We recommend that in so far as possible our churches unite in the celebration of the Sesqui-Centennial of American Methodism, the plans for the same to be worked out by the three Commissions to be set up by the Annual Conferences this fall. We cordially invite the Blue Ridge-Atlantic Conference of the Methodist Episcopal Church to join with us in this celebration. The Joint Commission suggests that the paper presented to our meeting by Dr. P. N. Garber be made the basis.

Following our usual agreement that the terms of two members of the Joint Commission, representing each of the denominations, shall expire each year, we recommend that the matter of electing their successors be left to the Conferences concerned.

M. T. PLYLER, Chairman,  
C. W. BATES, Secretary.

## REPORT OF THE SESQUI-CENTENNIAL COMMITTEE

The Committee, appointed by Bishop E. D. Mouzon at the Western North Carolina Annual Conference in 1932, to make plans for the celebration of the Sesqui-Centennial of the organization of the Methodist Episcopal Church in America, desires to make the following report and suggestions for the celebration of this important event:

1. That the Presiding Elders and District Lay Leaders be added to this Committee and that each Presiding Elder shall be the Director in his District for the celebration.

2. That at each District Conference due attention shall be given to the celebration of the Sesqui-Centennial.

3. That each pastor set aside one Sunday during the Conference year to be known as "Sesqui-Centennial Sunday," at which time the meaning of the celebration shall be presented to the people.

4. That the program for Conference Historical Society of the next Annual Conference be centered around the same theme.

5. That the *North Carolina Christian Advocate* be asked to give as much space as possible to materials bearing on this topic.

6. That the Board of Christian Education be asked to co-operate in the celebration by the stressing of courses in Methodism in Standard Cokesbury Training Schools, and in the circulating of Methodist literature.

7. That this Committee co-operate with the Joint Commission of the Sesqui-Centennial of American Methodism; this Commission being composed of representatives of the Methodist Episcopal Church, the Methodist Episcopal Church, South, and the Methodist Protestant Church; the said Commission having since 1930 been engaged in making plans for the proper national celebration of this historic event.

8. That the present Committee, with the addition of the Presiding Elders, be instructed to give assistance to the local celebration by preparing pageants, and by furnishing literature and speakers.

A. W. PLYLER,  
W. L. SHERRILL,  
P. N. GARBER,  
*Committee.*

18. That paragraph 488, Art. XVI of the Discipline be amended by adding the words, "*if necessary*," at the close of same.

II. We report *Non Concurrence* on the following:

1. To require pastors to report to the Annual Conference indebtedness of the church for current expenses.

## HISTORICAL SOCIETY MINUTES

Inasmuch as Dr. Paul N. Garber delivered the annual address of the Historical Society at a regular session of the Conference Thursday afternoon, November 16, there was no meeting of the Society, and the officers elected in 1932 will hold over through 1934.

Dr. Garber delivered a most interesting and inspiring address on "The Message of the Christmas Conference," which was appreciated and applauded by the large audience that heard it.

W. G. McFARLAND, Secretary.

## CONFERENCE BROTHERHOOD MINUTES

The Western North Carolina Conference Brotherhood met in twenty-fifth annual session in the Chapel, First Methodist Church, Charlotte, N. C., Friday, November 17, at 3:00 p. m. At the request of the President, W. L. Sherrill, the Vice-President, H. G. Allen, presided, and conducted the opening devotional service. A hymn was sung and S. M. Needham led in prayer. The minutes of the last annual meeting were read and approved. Musical selections were rendered by the Harris sisters' quartette.

In the absence of the Secretary-Treasurer, Rev. C. M. Pickens, his report as Treasurer was submitted by C. C. Herbert, Jr., and is as follows: The Brotherhood has had a loss of four members this past Conference year, A. G. Loftin, M. B. Woosley, W. E. Poovey, and H. G. Hardin. Due the beneficiaries on these claims, \$4,800.00. Paid on these claims to date, \$2,400.00, having paid each widow \$600.00. Amount of cash on hand, \$2,965.32.

The audit, called for at the last annual meeting, was read and went to record. This covered a five year period.

The following amendment to the constitution was proposed a year ago: "That whereas each clerical member of the Brotherhood now pays five dollars on the death of a clerical member, that our regulation be so changed that when one superannuates, that he be required to pay just two dollars instead." When this proposed amendment was read, it was moved that it be adopted. The amendment was extensively discussed, a vote was taken, and the amendment lost by a large majority.

It was moved and carried that the Bishop be requested to present the matter of the Brotherhood to the Conference on Saturday morning.

The following officers were elected: W. L. Sherrill, President; H. G. Allen, Vice-President; C. M. Pickens, Secretary-Treasurer; C. C. Herbert, Jr., Assistant Secretary-Treasurer; H. C. Sprinkle and G. D. Herman, members of the Executive Committee.

A Committee was appointed to approach the young men of the Conference concerning the Brotherhood and urge them to join. It was moved and carried that the officers arrange for the Brotherhood to be presented at the meetings of the District Conferences.

Further musical selections were rendered by the Harris sisters, after which the meeting adjourned.

H. G. ALLEN, Vice-President,

C. C. HERBERT, JR., Assistant Secretary-Treasurer.

### REV. JOHN FRANKLIN ARMSTRONG

John Franklin Armstrong, son of Pinkney and Eliza Goodson Armstrong, was born in Lincoln County, N. C., February 3, 1877, and died in Rex Hospital, in Raleigh, on June 15, 1933.

He was born in a Christian home. To this was added the advantage of his being brought from his childhood under the influence of the evangelistic spirit of the Methodist Church in the great annual camp meetings at Rock Springs near his father's home. At this camp ground he was converted when he was ten years-old. He at once became a member of the church and when fifteen years old felt a clear call to the Christian ministry. That call he never doubted. I think no one else has ever doubted it. He was licensed to preach at the early age of eighteen. From that time to the end of his life here on earth it was the one great joy of his heart to preach the gospel of Christ.

On December 25, 1898, he was happily married to Miss Rebecca Goodson who was his devoted wife and helpful co-laborer till her death in North Wilkesboro, April 17, 1929. One son, J. Frank Armstrong, Jr., survives.

Brother Armstrong, in preparation for his work in the ministry, attended Weaver College from which he graduated in 1901. After teaching for a year in the public schools of his native county, he was received on trial, in 1902, into the Western North Carolina Annual Conference. He was an enthusiastic student all the years of his ministry, taking correspondence courses in Vanderbilt and Columbia and attending summer courses at Union Theological Seminary and Duke University. He collected a well chosen library and never preached without careful preparation.

He served the following charges as pastor: 1903-04, El Bethel; 1905, South Fork; 1906-07, McAdenville; 1908-11, Bessemer City; 1912-14, Henrietta; 1915, West Asheville; 1916-19, Spray; 1920-24, Forest Hill, Concord; 1925-26, Belmont Park, Charlotte; 1927, Centenary, Greensboro; 1928-29, North Wilkesboro; 1930-31, Hillside, Asheville; 1932 till June 15, 1933, Rutherfordton. He was a faithful and acceptable Methodist pastor for nearly thirty-one years.

The large number of both laymen and preachers at Rutherfordton, where his funeral was conducted, and at Bethel Church, in Lincoln County, where he was buried beside his wife, bore testimony not only to his popularity but also to how he was loved by those who knew him. He was one of our most widely known and best beloved pastors.

Brother Armstrong was in many ways a great preacher. He had the background of a sound and genuine Christian experience. Those who heard him were convinced by his sincerity and earnestness. His imagination was sanctified and clothed in beauty. He spoke with the authority of the true prophet and yet with the tenderness and pathos of a real shepherd. He was careful in the selection of his themes for preaching. His sermons were more than entertaining and instructive: they were uplifting and convincing. His ministry was evangelical and he held many revivals in which hundreds were brought to Christ.

He loved life and put enthusiastic joy into living and in turn got joy out of life. He was one of the most cheerful and one of the happiest men I have known in a lifetime. He had his sorrows but before him there was so much of wonderful hope born out of Christian faith that he lived not in the yesterdays of regret and gloom but in the tomorrows of expected happiness. He loved God's wonderful world with all its beauty of mountain and stream, field and forest, and every bird and flower. He was much in demand as preacher and friend

where young people, as well as older people, gathered. His spirit was so deep and tender, his manner so sincere, his interest in others so unselfish, and his whole life so impressive that all classes of people were drawn to him. He expressed in life as he lived it, one of his greatest sermons.

We loved him sincerely and shall miss him sorely till we see him again in the land of everlasting life.

E. W. FOX.

#### REV. HENRY GRADY HARDIN

Henry Grady Hardin, son of Dr. E. K. Hardin, a practicing physician of Batesburg, South Carolina, was born February 27, 1890. His mother was Mrs. Ida Clinkscales Hardin, an ideal wife and mother, who was to her children what Hannah was to Samuel in that most beautiful of Old Testament stories.

After his graduation at Wofford College, Spartanburg, South Carolina, he joined the South Carolina Conference in 1911 and was appointed to Clover where he served two years as pastor. His other appointments follow: Denmark, S. C., two years; McColl, two years; Trinity Church, Charleston, three years.

In 1920 he was transferred by Bishop U. V. W. Darlington to the Western North Carolina Conference and appointed to Tryon Street Church, Charlotte, where he remained four years. After three years at Central Church, Monroe, and two years at Main Street, Gastonia, Brother Hardin became pastor of West Market Street Church, Greensboro, in 1929, and was within a few months of completing his quadrennium when, unexpectedly to his family and friends, in the early morning of August 24, 1933, he passed from earth. Without warning to any one, his heart gave out and he went to join "the spirits of just men made perfect."

In him was the law of kindness, and gentleness made him a peer among the noble of earth. For our purpose just here we adopt a slight paraphrase of a verse or two in the thirteenth chapter of First Corinthians: He was kind, envied no man, vaunted not himself, was never puffed up, did not behave himself unseemly, was not easily provoked, thought no evil, but rejoiced in the truth.

Henry Grady Hardin ever lived blameless before God and man. And it was easy for him to act the part of a Christian gentleman because he was one of nature's noblemen, always adorning the doctrines that he professed.

Before him had gone forebears who were the finest flower of a civilization rooted in the virtues of a pioneer people, a people that lived according to the precepts and doctrines of the Word of God. His mother who, before he was born, had prayed that he might become a minister of the gospel, ever followed him with her prayers and gave to him and her other children everything that a richly endowed and devoted mother could bestow. As a result, this boy with such a pious, devoted and industrious mother, got a good start in life and never failed to profit thereby.

It is not surprising, therefore, that Grady Hardin with these advantages in his early life, should, in a few years, become the pastor of leading churches in the Conferences to which he belonged. Only twenty-two years had he been an itinerant Methodist preacher when he suddenly and unexpectedly went to join his comrades of the Christian ministry in the heavenly country. But in those few years as a young minister he had been appointed to serve some of our largest churches.

As a preacher of the gospel he never failed to measure up to the demands of the occasion. It might be a prayer meeting talk to a handful of the faithful, a sermon in a little country church, or the exacting demands of preaching to big city congregations Sunday after Sunday, yet he never failed to meet the requirements of the hour. If called to deliver a great commencement sermon or to preach in the Duke University Chapel, as he did last summer, he was the same dignified, commanding pulpiteer who honored his Lord and Master by preaching

the gospel in simplicity and purity. He was not ritualistic and had no inclination to magnify the simple ritual of his own church, but the ritual he did use as pastor was employed with a perfection that never failed to elicit the praise of those who love to see the services of the church and the sacraments conducted with skill and becoming reverence.

On the Sunday before his death Dr. Hardin delivered a sermon of great power and one that made a tremendous impression upon his congregation. The people who heard it discussed it up to the time of his death, and there arose a great demand that it be published, which was done.

On December 10, 1913, Mr. Hardin married Miss Olive Walker of York, South Carolina, who, with the three children, survive him. The children are H. Grady, Jr., Nan Walker, and James Walker. His brothers and sisters, named in order of their births, are: Mrs. M. L. Smith (deceased), L. L. Hardin, Clover, S. C., Rev. E. K. Hardin (deceased), J. C. Hardin, Rock Hill, S. C.

The funeral services were held Friday, August 25, in the West Market Street Church where a sorrowing throng of parishoners and friends assembled for those last solemn rites which were conducted by Bishop Edwin D. Mouzon, bishop in charge, Revs. W. A. Newell, presiding elder of the Greensboro District, L. D. Thompson, presiding elder of the Winston-Salem District, Fletcher Nelson, assistant pastor of West Market Street Church, and G. T. Bond, pastor of College Place Church, Greensboro.

Interment was at Clover, South Carolina, in the afternoon of the same day that the funeral was held in Greensboro. In the village cemetery, amid the scenes of his first pastorate and where some of his kindred dwell, tender hands laid his body to rest beneath the fair skies of his native South Carolina.

The departure of this Christian minister of genial presence, attractive personality, gifts and graces not a few, has brought sorrow to many hearts. We have said the long farewell, but we have not forgotten him, neither shall we fail to rejoice in the splendid service that he rendered for God and his fellow-man.

Anyone who has tasted the bitter cup of grief and who, amid the dark shadows of a great bereavement, has staggered into the years that lie ahead, cannot fail to be a sympathetic friend of the dear woman who walked by his side the twenty years of their married life, and of the son, now at Duke University, preparing to take up his father's work, and of the dear daughter, just budding into young womanhood, and of the baby boy who will hardly remember his good father's face. God bless every one of them. A. W. PLYLER.

#### REV. ALBERT GRAY LOFTIN

Albert Gray Loftin was born at Jackson Hill, N. C., on the 3rd day of October, 1872. He passed to his reward at Glen Alpine, N. C., on the 22nd day of June, 1933, and two days later his body was laid to rest at Newsome, N. C.

He was the son of J. Columbus Loftin and Frances Smith Loftin. He was married on the 25th day of November, 1903, to Miss Jennie Smith, his childhood sweetheart. To this union was born three children: Miss Bonte, now a teacher in the public schools of Greensboro; Heber, a lovely boy who, at the age of seven years, preceded his father to the glory world; and Frances Gray, who is a student at Greensboro College.

Brother Loftin's early life was spent upon the farm among the Uwharrie hills. He knew the rigorous toil and countless privations that must be endured by those who till the soil. In early youth he joined the Methodist Church and in a Christian home he grew to sturdy manhood. He heard and heeded the call to preach the glorious gospel of God and set out upon that long life of loyalty to the high ideals embraced in our holy religion. He never faltered.

In 1901 he joined the Western North Carolina Conference at Gastonia. The sainted Bishop Hargrove presided. He was appointed to the Woodside Charge in the Salisbury District. It must have been a difficult field, for that is the only year in which it appears in our annual minutes as an appointment. The next year he was sent to Hiawassee Circuit. In 1903 he was appointed to Glenville and remained for two years. In 1905 he was sent to Hayesville and remained for three years. In 1908 he was appointed to the Farmington Circuit and here followed three more years of fine service. From there he went to the Lewisville Circuit for three more years. In 1914 he was appointed to the Catawba Circuit, where he spent four happy, fruitful years. After a year at Stony Point he was sent to Pleasant Garden for the following four years. Then a year at Randleman followed by four years on the Concord Circuit. In 1928 he went to Lowell for a year, then to Davie Circuit for two years. In 1931 he was stationed at Glen Alpine. It was here that he fell to sleep. Loving hands bore his body back to the red hills of lower Davidson, where it now rests in the little graveyard at Newsome.

To the outer world this simple record would seem a part of the short and simple annals of God's humblest servants. But to us who know the grandeur of service rendered it is as the shout of one of God's victorious sons. It has pleased God that, by the foolishness of preaching, the world shall be saved. And what a preacher Albert Gray Loftin was. I knew him well. We were ardent friends from the day that I joined the Conference in 1903. I was twice his presiding elder. For four years he was pastor of my home folk down in Cabarrus County. He began his ministry under serious handicaps and many limitations. The learning for which he yearned was denied his youth. By constant application and persistent study he overcame all hindrances and grew in majesty with each passing year. His unbounded love for the church inspired the most ardent devotion to her every cause and interest. He sprang from the common people and the common people heard him gladly. Among admiring friends he led the flock with the humility of the good shepherd. The people loved and trusted him, believed implicitly in the sincerity of his life, and waited upon his ministry with joy. Courage came to those who wavered, and hope to the hopeless. And ever in his ministry men could hear the Christ speaking words of healing and forgiveness. Life took on richer values and heavenly towers shone in the white light of an abiding faith. Immortality was a present possession and held most dear. His every hour was filled with a great ministry. "He came and went like a pleasant thought."

His faithful wife was the one deep love of his life. His two lovely daughters were a source of constant joy. He often spoke of the little boy who had gone on before and thought of him as one who lives and waits in the land of the Great Reality. His home was the gathering place for young and old and his fireside a shrine.

So ends a good life. It is the only kind of life that is worthy of being called "the good life." There is no regret and no bitterness in the manner of his going. In the little church at Glen Alpine he stood with the bread and wine, symbols of his Saviour's sacrifice, in his hands and there his own frail body, broken by years of ceaseless service, was added to the mighty sacrifice of humanity's best, offered upon the altar of the King of perfect love. A few days later his soul passed on into the sunrise of endless day and symbol became the presence of the Holy One. That for which he had longed became an eternal possession.

Back to the hills again, back to the beginning, back home, they carried his ashes; and on a hill overlooking the wide sweep of the Yadkin River we laid his body down and covered it over with the kindly loam from which it came, and left it to mingle with the dust of his fathers, whose broken tabernacles lie beneath the whispering pines.

## REV. WALTER LEE NICHOLSON

Walter Lee Nicholson was born at Nicholson's Mill, Iredell County, N. C., June 5, 1869, and died at his home in Charlotte, N. C., August 29, 1933. He was the son of James Lee and Mattie Calvert Nicholson. While yet a small boy both his parents died, leaving him to make his own way and to fight life's battles against the handicap of a seriously defective eyesight, which was his lot from birth. He was never able to read at length, and was dependent in large measure upon having others read to him. Thus, in later years, it was only through having his wife read the Conference course of study to him that he was able to pass successfully the examination in this course. But, a good mind and an exceptional, retentive memory enabled him to accomplish what otherwise would have been impossible.

His early boyhood was spent in the home of his two grandfathers, both of whom were engaged in the cotton mill business. But whatever fortunes the family may have had, were entirely lost, and Walter Lee Nicholson was left as an orphan without any material resources with which to prepare himself for life. Despite all handicaps, however, he faced the world with courage and with the determination to make the most of every opportunity.

At first it was thought that, on account of his defective vision, he would not be able to take the regular course in the schools. But here he overcame his difficulties in an astonishing way. After attending the public schools of his county, he studied in Hill's Academy at Statesville. At eighteen he began teaching, and before he was twenty-one years of age he was elected superintendent of public instruction in Iredell County, his twenty-first birthday intervening before he took office. He was at one time principal of Mooresville Academy, and later of Wilkesboro Academy, and, during the first year in the Conference, he was a teacher at Valle Crucis.

In his early boyhood he united with the Methodist Church. For a time he thought of taking up the profession of the law, but later decided to give his life to the ministry.

In 1896 he joined the Western North Carolina Conference, and served the following charges: Boone, Mount Holly, Bryson City, Derita Circuit, Belmont Park, Brevard Street, and China Grove. He was conscientious and effective in his work as a preacher and pastor. But, on account of failing eyesight, he realized that he could not go on further in the active pastorate, and, at the Conference of 1910, asked for the supernumerary relation and retired from the active ministry. A few weeks before his death he said to the writer, "Nothing in my whole life pained me so deeply as when I found it necessary to give up my work in the Conference."

Walter Lee Nicholson was not a man to accept defeat. Again he faced life with a determination to make his way, this time in the business world. He soon became actively identified with the business life of Charlotte, in real estate and in the textile industry.

After his retirement from the Conference Brother Nicholson was for a while a member of Tryon Street Quarterly Conference but when Hawthorne Lane Church was organized, he associated himself with it and was treasurer of the building fund of the new church until it was raised. He was also a member of the Board of Stewards of this church, and chairman of the Board of Trustees until his death.

In 1896 he was married to Miss Effie Jean Squires. There were born to them two children, Effie Jean, who died in infancy, and Walter Lee Nicholson, Jr. Mrs. Nicholson died in May, 1914. In November, 1915, he married Mrs. Lula Squires Clegg.

He is survived by his widow, his son, W. L. Nicholson, Jr., and by a brother,

W. T. Nicholson, of Statesville; also by his step-children, Misses Lula Faye and Catherine Clegg, and Charles S. Clegg.

The funeral services were held in Hawthorne Lane Methodist Church, August 30, J. B. Craven, John W. Moore, W. W. Peele, and John W. Shackford participating. Interment was in Elmwood cemetery.

Brother Nicholson was quiet, gentle, unassuming and brave. Handicapped and denied the ends he sought in early life, he went forward without complaining, seeking to make the most of life. He loved his home and his church and was the sympathetic friend and wise advisor of many. He sought to be faithful in that which was committed to him.

A layman, whose pastor he has been for years, and who had known him intimately through all the after years until his death, said of him: "He was a good preacher, a fine Christian gentleman and one of the best pastors I have known. He interested himself in every member of his congregation, the highest and the lowest, and was especially sympathetic with those in trouble. The amount of work he did was almost unbelievable, for one handicapped as he was. He was one of the best men I ever knew."

One of his brother ministers who had known him through many years gives this as his impression of him: "He was a man of much more than the average ability. Few men, after spending their earlier years in the ministry, could have gone into business and accomplished what he did. It also required a great deal of courage to do it. Then he was very humble and unassuming. To know the real merit of the man one must have had a very intimate acquaintance with him. Another marked characteristic was his loyalty to his friends. There was no gush about him, but he was always true. In his charities he did not let his left hand know what his right hand did, but he was always ready to respond to the call of need. I never heard him make the least criticism of the church and was loyal to it in a very marked degree. He was not a noisy Christian but he was a good one."

Another friend who had known him for years wrote: "His life was an inspiration. When halted in his life work by his eyesight, he did not, as most other men would have done, sit down in idleness and despondency, but made a notable success in another field. With millions of others, he saw much of the material achievement waste away before his eyes. But the moral and spiritual values remain. He was faithful in the use of the talents God gave him, and I feel sure that he has heard with joy the Master's words: 'Well done, good and faithful servant; enter into the joy of thy Lord.'" J. W. SHACKFORD.

#### REV. WILLIAM EDGAR POOVEY

William Edgar Poovey, son of Julius A. and Martha (Houck) Poovey, was born in Catawba County, North Carolina, November 17, 1878.

After attending the local primary schools he received high school training at Lenoir-Rhyne College, then two years at Rutherford and two years at Emory and Henry College, where he received the A.B. degree in June, 1906, and won the orator's medal.

He was a good student and made a creditable record in all his college work. He was popular with his teachers and the student body, entered heartily into all the college activities; was president of the Young Men's Christian Association and of his literary society at both Rutherford and Emory and Henry. He not only led in his class work but excelled in all the college games as well.

When a youth, he was converted and joined the Methodist church. He grew in the Christian graces and as a Christian worker. Being prepared in mind and heart for his life work, he responded to the call to preach; was licensed, and after several years' experience as a local preacher, was admitted on trial into the Western North Carolina Conference at Mount Airy, in November, 1906, and

served the following charges: 1907, Lenoir Circuit; 1908-09, professor in Rutherford College; 1910-11, Weaverville Station; 1912-14, North Asheville; 1915, Ozark-Dallas; 1916-19, Brevard; 1920, North Wilkesboro District; 1921-22, Central, Shelby; 1923-26, First Church, Marion; 1927-29, First Church, Lenoir; 1930-33, Mount Airy District.

He was ordained deacon by Bishop Morrison at Salisbury, in 1907, and elder by Bishop Hendrix at Winston-Salem, in 1910.

Last July he was stricken with a fearful malady and, after a surgical operation which confirmed the fears of his physicians that his condition was hopeless, he lingered for a few brief weeks and died in peace at the Mount Airy Hospital just at sunset on Sunday, July 23rd. This brief statement covers the splendid record of a noble life.

Nature did much for him but grace did more. He was a magnificent physical specimen which promised many more years of useful service and his mental equipment was proportioned to the physical. He possessed extraordinary mentality, his mind was well trained and, after receiving his college degree, he continued to be studious and developed into a broadly cultured man, a writer of vigorous English, a poet of no mean pretensions, an interesting platform speaker and a preacher of rare gifts, whose messages were full of instruction for believers as well as for sinners, and appeals to the unconverted were so charged with spiritual fervor that he became an effective evangelistic speaker. He was a strong doctrinal preacher, a born leader of men, who organized his forces for conflict and throughout his ministerial life his work was constructive and his fitness for leadership was most plainly manifest during the last four years which he spent on the Mount Airy District.

In every charge he was recognized for his strong common sense, his discriminating judgment, his goodness of heart, his childlike faith and wise administration.

He was a true friend to his preachers, all of whom loved him and confided in him. His judgment was respected by the laity who confidently followed him. Those who knew him best regarded him most highly and wherever he went all the children loved him.

As a teacher he knew how to impart knowledge and inspire pupils in the college classes and later, the young preachers, in the summer schools in which he instructed them for many years.

He was appreciated not only by his own people, but his influence overflowed into other communities where he had hosts of friends and admirers. He was a bright Mason, Master of the Mount Airy Lodge and Grand Chaplain of the Grand Lodge of North Carolina.

He never shirked a duty but gave himself unsparingly to his holy task and was snatched away in the very flower of his usefulness.

In the last days he realized his serious condition and planned the work of the district for any emergency, leaving the record so complete that whoever should follow him, could take up the task where he laid it down.

Thus unafraid and full of faith he committed himself and his family to the Lord whom he had so long trusted and followed, and when the end came there was great peace.

The funeral service was conducted by Bishop Mouzon, assisted by other ministers, in Central Church, Mount Airy, on July 25th, in the presence of a large congregations among whom were many of his brethren of the ministry. At the conclusion of this service the body was taken to Hickory, where it was buried in the City cemetery with Masonic honors.

He was happily married August 8, 1906, to Miss Mabel Hill Stroup, who was, through all his ministry, a faithful helpmeet. She, with the two children, still abide.

"Blessed are the dead which die in the Lord from henceforth; yea, saith the spirit, that they may rest from their labors; and their works do follow them."

L. B. ABERNETHY.

### MARCUS BOYLES WOOSLEY

Monday morning, July 3, 1933, at 5:40 o'clock, the golden key that opens the palace of eternity turned and the soul of Marcus Boyles Woosley gently passed to that "undiscovered country from whose shores no traveler has ever returned." He was born at Trinity, Randolph County, September 26, 1894, the son of the late Rev. J. E. and Mrs. Pauline Woosley.

On Easter day, April, 1918, he was happily married to Miss Lucille Warlick, daughter of the late D. H. and Mrs. Warlick, of Granite Falls, N. C. This union was blessed with three children: two daughters, Rebecca and Margaret, and one son, Harry.

Brother Woosley professed faith in Christ at the age of six at Muir's Chapel, Guilford County. At the close of the meeting, when his father gave the invitation for those who wished to join, little Marcus went forward and was received into church by his father. Step by step he marched on from day school to grammar and to high school until he was ready to enter college, graduating in June with the class of 1917 at Trinity College, now Duke University. In the fall of 1917, at Asheville, he was admitted on trial into the Western North Carolina Conference. He has faithfully served the following appointments: Granite Falls, Davidson, Coburn Memorial, Boone, Leaksville, and Newton.

Brother Woosley was every inch a man—an honest man; a sincere man; and loved his Lord and his fellowmen. He was dependable, a fine organizer who led his forces to victory. He was a builder and always made beautiful the parsonage and church grounds. He loved the great out-doors, the blooming flowers, the running streams and towering mountains. He was devoted to the young people and shared with them his joys. He was affectionate, gentle and unselfish. Because of his beautiful traits of character, he won the confidence and friendship of the people he served. He was an optimist. He looked on the bright side of every experience. He was an able preacher, a student who was modern in his thinking, and a builder of congregations and Christian character. He was a devoted pastor. He visited his people, gave comfort to the broken-hearted, cheered the discouraged and distressed. He was a soldier who died at his post. He entered the vineyard and labored until the sun went down. We are only remembered by what we have done. The only nobility that lasts is the nobility of usefulness. With his gentle hands and smiles of kindness he drew little children to him and started their tiny feet on the road that leads to the better country.

A short time before he died he said to his wife: "Some great experiences have come to me through my father's and mother's lives which have lived with me through the changing years. At times I have as beautiful a survey of life as could be given by a father and mother. I can hear now the sleet and rain that fell on the houses in which I have lived. My father loved people and I have always loved people. My greatest ambition is to serve. I have tried to give in my brief service in the Western North Carolina Conference that high dignity and respect which Dad gave the world. Just recently I attended school at Duke University and there came to me great mountains of spiritual power. It is blessed to come into full contact with life at the University. As I felt, while there, these motives and purposes in my life, I rejoiced in them and resolved that in every local charge in which I serve I would try to give them to my people."

Later on in the week as the silver cord was being loosened and the golden bells were ringing, Brother Woosley stopped on the brink of the river and sang softly and sweetly the hymn: "What a Friend We Have in Jesus." Then he

added, "I am ready to go. I am not afraid. I settled the question long ago. Lucille, be brave. 'The Lord is my shepherd, I shall not want'." Then he offered a beautiful prayer, his companion praying with him.

We find it hard to realize that the shadows have fallen across his pathway, that the smile that made his friends happy has faded, and the voice that cheered has been stilled, but it is not the length of years we live but what we put into those years that counts. No man starts to live until he begins to live right. So the earthly life of one who lived for a noble purpose for 38 years has ended, but he has left to those whom he loved the high legacy of a devoted Christian life. Heaven seems nearer to us all because he is there. It was darkest night, Sunday, July 2nd, when skilled physicians and surgeons and sympathetic nurses and true and loving friends stood by his bedside at the Davis Hospital, but it was soon apparent that he had received a message from the eternal world, and at 5:40 o'clock Monday morning his soul departed to be with father and Saviour in a land untouched by sin.

In his going I feel that I have lost one of my dearest and best friends. The church and Conference have lost a guiding star; the wife and children a loving husband and father; the aged mother a devoted son; the brothers and sisters a true brother. But we shall see him in the morning in a land where partings are unknown. (I want to go to heaven because such men as Mark Woosley are there).

He is survived by his widow, Mrs. Lucille Woosley, two daughters, Rebecca and Margaret, and little son, Harry. By his aged mother, Mrs. J. E. Woosley, three sisters, Mrs. W. B. Hall, High Point, N. C.; Mrs. C. M. Weber, Danville, Va.; Mrs. A. M. Wagoner, Walkertown, N. C., and two brothers, O. V. Woosley, superintendent of the Children's Home, Winston-Salem, N. C., and Dr. J. B. Woosley, teacher of economics at the University of North Carolina, and a host of devoted friends who mourn the passing of this good man.

May we this day thank God for having given to the world and the church Marcus B. Woosley. May we praise the Lord that his faith did not waver, did not fail in the dying hour. The sunset was clear. There were no clouds to dim the glory of his crossing. He lived well and died well.

"Mark the perfect man and behold the upright, for the end of that man is peace."

J. S. HIATT.

#### A HEROINE OF THE PARSONAGE WHO DIED THIS YEAR

##### MRS. BESSIE T. ERWIN

Mrs. Bessie T. Erwin, widow of the late Rev. Ira Erwin, member of the Western North Carolina Conference, passed to her reward September 4, 1933, from the home of her daughter, Mrs. F. E. Branson, in Canton, N. C.

She was the daughter of H. Clay and Carrie Butner Thomas, of Thomasville, N. C., and was born December 26, 1871. She graduated from Salem College in 1891. She was married to Brother Erwin April 6, 1897, and to the time of his death she brought to the various charges they served a life of beautiful culture and fine devotion. Thousands of our people can testify to her unswerving loyalty and sacrificial service in her labors of loving consecration. Through her widowhood she continued to manifest the same sweet spirit and abounding interest that marked her work as the wife of an itinerant preacher.

During her protracted illness she was most gracious in her suffering and her faith was unbounded. Over and over she testified to the hope that sustained her and the glory of the setting sun cast a halo about her translation.

# Interest in Local Training Classes

## Increasing Throughout Southern Methodism

*Recent Improvements in Correspondence Courses Make Work in Local Classes Much More Helpful and Satisfactory*

### LARGE CHURCH

#### Standard Training Courses for the Large Church in the Town and City

¶ Officers and teachers in a local church school who need help in their work will find it in certain Standard Training Courses which are offered through correspondence. A local training class under the leadership of any capable person may be organized in any large church school. All workers who desire to prepare themselves for more effective service should join such a class.

¶ There is no expense for this type of study beyond the cost of books. For information about correspondence work, for suggestions about selection of courses and for assignments and leader's guides, write to the Division of Leadership Training, General Board of Christian Education, 810 Broadway, Nashville, Tennessee.

#### REPORT OF COMMITTEE ON UNIFIED PROGRAM OF WORK

(Ordered to be Published in the Minutes)

In response to a call from Bishop Kern, a group of ministers and laymen of the Western North Carolina Conference met in Statesville on Friday, September 28, to confer together concerning a unified program of the work of our Conference for the coming quadrennium.

As a result of this meeting, we submit the following general principles for your consideration:

##### SECTION 1—FINANCES

The "New Financial Plan" offered the church by the last General Conference forces a careful study of all our previous financial methods, and doubtless will necessitate many revisions. The plan offers possibilities of great improvement in church giving, but may be a dismal failure. It offers a new day of intelligent liberality, free-will giving, and spiritual development. It may easily lead to selfishness, forgetfulness of others, and narrowing outlook and vision.

We advise:

1. The acceptance of the quota as submitted by the General Conference Budget Commission.

2. In the matter of pastors' salaries we set as a goal this quadrennium the payment of every pastor's salary in full and a plan of help, to be Conference-wide, by which preachers with salaries above \$1,200.00 shall contribute to a fund to be used to bring all salaries up to a minimum of \$1,200.00 for married men and \$900.00 for single men.

3. That one-half of our benevolences be paid by Easter and a minimum of 80% of total Conference assessments be paid during the year; to reach 100% during the quadrennium.

In order that this may be accomplished, promptness in starting, system in working, and persistence of effort will be needed.

We therefore suggest:

1. That the District Stewards meet within two weeks after the closing of this Conference to be followed as rapidly as possible by the Quarterly Conferences.

2. That a cultivation period, closing with Easter, be carried on in all churches, the emphasis being laid on stewardship for sake of others.

3. That the congregation-budget be balanced each quarter.

4. That District meetings be held quarterly.

5. That the aim of all our financial work be not only the raising of money but development of character through intelligent, unselfish giving. To this end we urge formation of study clubs and the active use of every church organization to spread the knowledge of what the church is doing and the world's need of our help.

## SECTION 2—CHRISTIAN EDUCATION

The increasing importance of Christian education in the local church has laid heavy responsibilities on our General and Conference Boards of Christian Education. This Conference has a great record in this field. We must take no backward step. We should set our goals high and fight hard to reach them.

We suggest the following:

1. An increase of 10% in church school attendance for 1934-35 and a 5% increase for each succeeding year of the quadrennium.
2. Insistence on the part of Presiding Elders and pastors that a local Board shall be organized in each congregation and that a training course be offered in reach of each school.
3. That our program be enlarged by occupying areas not now occupied. The Board of Christian Education is instructed to co-operate with the Presiding Elders and Board of Missions in such work.
4. That, in co-operation with the Woman's Societies, the Board interest itself in plans looking to helpful co-operation with the colored race.
5. That we call on each local Board to see to it that the fourth Sunday be set aside not simply for raising money but for the dissemination of facts about our home and foreign missionary enterprises.
6. That Church School Day, College Day, and Childhood and Youth Week be made occasions when the church and youth be made to know each other better and to find a common ground on which to meet; a common language in which to discuss matters of spirit.
7. That the Conference Board be instructed to work out a definite policy for our colleges, looking especially to the support of Brevard College.

## SECTION 3—MISSIONS

In view of the importance of the cause of missions we urge that every occasion and every agency be used to forward this cause. In the church school and the Woman's Missionary Society we have agencies that can be used most effectively. Our first effort must be toward recreating missionary interest and missionary enthusiasm.

1. To this end we urge every pastor to give himself with unstinted devotion to presenting the new financial plan of the church; that each Presiding Elder arrange for missionary institutes and group meetings in his District in order that the subject may be kept constantly before our people.
2. It is the sense of the Conference that one-half of our present mission charges should become self-supporting within this quadrennium. We believe this can be hastened by consolidating and re-locating our churches at strategic centers. To this end we instruct our Board of Missions and Presiding Elders.
3. We recommend that every pastor assist to his utmost in the organization of a Woman's Missionary Society in each church.
4. Many congregations will be interested in carrying missionary specials. Where this can be done it should be done.
5. The Golden Cross should be featured on at least one Sunday in each year, and information with reference to our hospital at Elkin furnished our people.
6. We recommend that a Commission be appointed by the Bishop to study the whole question of Conference missions.

## SECTION 4—SPIRITUAL LIFE OBJECTIVES

The Methodist Church has not only enough, but good enough, machinery to carry on its work. What it now needs is power to make its machinery do its work. Nor is it financial or intellectual, but spiritual power that it needs. We need first to look at ourselves as ministers and laymen.

Our personal life must come first. Methodism puts primary emphasis on experience. We must re-affirm this constantly. "Is thy heart right?" is a good Methodist phrase and a pertinent question always. Every revival must start in the church and all church work must carry on in the light of a spiritual glow from the membership.

To this end we suggest:

1. That emphasis be placed on the personal life of ministers and officials especially, and that we seek to build up spiritual habits of prayer and Bible reading to the end that we may have a foundation of spiritual power in every church available for every good work.

2. That in selection of stewards, church school officers, and teachers, the character test should be placed first, so that the old phrase, "men of solid piety," will come to mean something once more in Methodism.

3. That we turn once more to place an emphasis on religion in the home, presenting constantly to parents their responsibility as well as their opportunity.

4. That services of several days duration be held at least once a year, preferably during the pre-Easter campaign, definitely for church membership, seeking to quicken spiritual sensibilities and deepen human lives.

5. That our preachers preach more frequently on the great fundamental doctrines of the Bible—a storehouse of inspiration and instruction too often neglected. We do not need to run to fads, politics, or philosophy for subject matter. The Bible is our granary from which we may get all that is necessary for spiritual life and growth.

## SECTION 5—EVANGELISM

The purpose of all evangelistic effort is twofold:

1. Deepening the spiritual life of our membership.
2. Bringing in those who have been unreached.

Both ends are very much to be sought: the first, because so many people are just nominal members; the second, because people ought to be coming into the church, but they are not in very great numbers as evidenced by the figures—only 3% increase by profession of faith having been registered in our Conference last year.

Without discussion, we suggest that the church should use every available method to attain these ends, not necessarily following only one when we have so many at hand:

1. Revivals—or mass evangelism.
2. Personal evangelism.
3. Visitation evangelism.
4. Christian nurture.

The mechanics are less essential than the realization of the importance of the task, but we submit as follows:

1. Every church ought to have an annual evangelistic campaign—preferably just before Easter. This should be carefully planned, preceded by survey, conscientiously prepared for, and enthusiastically carried out.

2. Classes should be formed in all churches for training children in the meaning of church membership as related to Christian living. These classes should be under the direction of the pastor or some other trained and devout worker. Constant recognition should be given the fact that the home is central in religious life; wherever possible, effort should be made to secure decisions there and the church school should continue the work begun there.

3. Every agency in the church should stress evangelism. The church school should be definitely organized for this purpose; the Woman's Missionary Society and the Board of Stewards, through the committee on Evangelism, should be made to feel that this is their chief work.

4. In many churches a carefully selected group of men and women should be called in by the pastor and trained for and encouraged to do this work. The prime requisite for such a group is that they be those who have a definite religious experience.

5. We recognize that no evangelism can be successful in a coldly unspiritual church or can be led by a ministry that is not conscious of the Holy Spirit. We pray that our ministers tarry first at their own altars until they know God for themselves and until they can say with deep truth, "Give me souls or I die."

## REPORT OF THE RETIRING BOARD OF CHRISTIAN EDUCATION

During the past year your Board of Christian Education has carried on the regular activities of our program and has added a number of special activities. We call the attention of the Conference to some results in both the regular and the special activities.

During the year, in the training program, 3,813 units of credit were issued. These credits were earned in 12 Standard schools and classes, 82 Cokesbury classes, a number of Christian Culture institutes and the Pastors' School. A large number of vacation schools were held throughout the Conference; the Conference staff conducted many informal conferences, institutes and retreats in local churches; special days and occasions, such as Sunday School Day, Missionary Day, Young People's Day, Childhood and Youth Week, were observed; the Conference Assemblies at Lake Junaluska were greatly enlarged.

The work of Christian education throughout the church, generally, under the direction of the General Board, reflects splendid achievements in the major objectives of the quadrennium.

## UNUSUAL ACTIVITIES

The past year has been characterized by several unusual undertakings on the part of your Board. We have co-operated in the celebration of the Sesqui-centennial of American Methodism by offering courses in Standard Training Schools, by stressing the elective course for adult classes during one quarter, by featuring a course in Methodist beliefs in Cokesbury Training Schools, by pageants at the Conference Assemblies and by using the program, "Challenges from the Past," in connection with Sunday School Day.

Another unusual feature of this year's work was the introduction of a number of experiments in the training program. Among these was the Observation-Vacation School conducted for two weeks in Charlotte in June, at which workers from nineteen churches observed the Vacation School in session under the direction of experienced and capable leaders. Another experiment was the Children's Workers' Conference held at Lake Junaluska during the days of August 17-19. A third experiment was the Standard Training School for Children's Workers at High Point. A fourth experiment was the series of informal "round-table" sessions at Liberty, in the Greensboro District, early in September, based upon the study of the Meaning of the Christian Religion.

A special survey of the educational institutions of the Conference has been made during the quadrennium.

Brevard College, the youngest institution of our Conference, began its career in September of this year with an enrollment of 391 students and a faculty of 22.

Last year the Annual Conference asked us to give special attention to the following matters: (1) the organization of the Local Church Board of Christian Education in every congregation; (2) the evangelistic emphasis throughout our program; (3) the enlargement of conferences and assemblies at Lake Junaluska; (4) a training program for pastors and district workers. Your staff workers have endeavored to carry out the wishes of the Conference in all these particulars.

#### DISTRICT STAFFS

The district workers have done better work than heretofore and a number of fine results have been realized. For example: we can report that one district has had a training program that has touched every charge in the district; another has a Local Board of Christian Education in every church; other districts are advancing rapidly with the new program for adults, have made gains in young people's work, or are developing the extension program.

The year's work has been carried forward under the handicap of limited finances and a reduced staff.

R. DWIGHT WARE, Secretary.

#### BOARD OF CHRISTIAN EDUCATION—REPORT NO. 1

The increasing importance of Christian education in the local church has laid heavy responsibilities on our General and Conference Boards of Christian Education. This Conference has set a great record in this field. We must take no backward step. We should set our goals high and fight hard to reach them.

We suggest the following:

1. An increase of 10% in church school attendance for 1934-35 and a 5% increase for each succeeding year of the quadrennium.
2. Insistence on the part of Presiding Elders and pastors that a Local Board should be organized in each congregation and that a training school be offered in reach of each school.
3. That our program be enlarged by occupying areas not now occupied. The Board of Christian Education pledges its co-operation with the Presiding Elders and Board of Missions in such work.
4. That the Woman's Societies, the Conference Board of Missions, and this Board work together in plans looking to helpful co-operation with the colored race.

5. That we call on each Local Board to see to it that the fourth Sunday be set aside not simply for raising money but for the dissemination of facts about our home and foreign missionary enterprises.

6. That Church School Day, College Day, and Childhood and Youth Week be made occasions when the church and youth be made to know each other better and to find a common ground on which to meet; a common language in which to discuss matters of spirit.

7. That the Board pledges itself to work out a definite policy for our colleges, looking especially to the support of Brevard College.

(Signed) W. W. PEELE, Chairman,  
C. C. HERBERT, JR., Secretary.

## BOARD OF CHRISTIAN EDUCATION—REPORT NO. 2

In addition to report No. 1 from our Board, we suggest the following touching the local churches:

1. We regard paragraph 64 of the Discipline, which deals with ministerial training, as a forward step, and pledge to the Joint Committee on Ministerial Training our co-operation in carrying out the intent of the paragraph.

2. The General Board of Christian Education has issued a 24 page booklet giving specific instruction about the new legislation touching the missionary education of children. We urge every pastor and superintendent to procure this booklet and familiarize himself with the new plans so that they may be carried out in all our churches.

3. We call special attention to the fact that, under the present legislation, as specifically stated in paragraph 461 of the Discipline, the pastor is now the director of religious education in the local church.

4. We recommend that every adult class secure a charter that it may enjoy all the benefits of special direction from the Boards of the church. We also recommend to these adult classes the wide use of the elective courses published in the *Adult Student*.

5. We recommend the election of the following Board staff for the year 1934-35:

### *With Salary:*

|                                       |                     |

## SCHOOLS AND COLLEGES

The Board has given due consideration to reports from the General Secretary of the General Board of Christian Education, Dr. W. M. Alexander, Secretary of the Department of Schools and Colleges; from Duke University, Greensboro College, and Brevard College; from the Board of Managers of the North Carolina Pastors' School; and to the resolution concerning the E. M. Cole Trust Fund, referred to the Board by the Conference.

The General Secretary states that the principle of fewer and stronger institutions has been set forth by the Board, and that this policy met with the approval of the General Conference. He says further that careful surveys of our schools and colleges are being made, and that a general survey will be completed eventually covering all of our church institutions. In harmony with the recommendation of the General Conference a system of schools, colleges, and universities will be proposed for the entire church. He states also that special emphasis is to be laid on the spiritual life of students on our own church campuses, and specific provision is being made for the strengthening of our Wesley Foundation work as it relates to state and church-related institutions.

The report from Duke University reveals the fact that this institution now has an enrollment of nearly 3,300 students, and that its financial condition is better than at any previous time. Of the students enrolled, approximately one-half are boys in the undergraduate school known as Trinity College. The remainder of the student body is equally divided between the Woman's College, on the one hand, and the Graduate School of Arts and Sciences and the professional schools on the other. The School of Religion has enrolled this year about 120, thirteen of whom are serving pastorates in this Conference.

The report from Greensboro College shows an increase of forty per cent in the number of degree students over the year 1931-32. By stringent economy and large reduction in salaries the college has been able to show a favorable financial balance. The institution has suffered a deeply-felt loss through the death of Dr. Dred Peacock, a former President of the college, a member of the Board of Trustees, the Chairman of the Executive Committee, and the Chairman of the Trustees of the Endowment Fund. In view of the coming centennial celebration in 1938 certain objectives are being considered. Among them are: a productive endowment fund of at least \$500,000 with all indebtedness paid, adequate equipment for the Physical Education Department including a gymnasium, a building for Home Economics, an adequate library building with equipment, and a central heating plant.

The report of the President of Brevard College conveys the information that the college has a present enrollment of 394 students, a remarkable enrollment for the opening year. The college now has a faculty of 24 Christian men and women, who are devoted to the principles on which the college was established. The President states that applications are already being received for September, 1935, and that indications are that the present facilities will be entirely inadequate to accommodate the hundreds of young people who will wish to come to Brevard College next year. Fifteen young men in the college are preparing for the ministry, and a Christian atmosphere surrounds the institution. Brevard College is meeting the standards of the Southern Association of Colleges, with the exception of the single item of endowment. It is necessary to provide adequate and stable financial support for this school.

The report from the Board of Managers of the Pastors' School states that this school ran simultaneously with the Institute on International Relations and the Rural Church Institute. The attendance was unusually large, and 62 more credits were issued this year than last year.

The amount apportioned by the Commission on Budget to the Board of Christian Education is \$41,774. We recommend that the apportionments for schools and colleges total \$30,000; that from the amount collected for schools and colleges, the sum of \$1,140 be used for the payment of the coupons of the \$19,000 second mortgage bonds of Rutherford College as they mature; and that the remainder be appropriated as follows:

|   |           |
|---|-----------|
| Pastors' School .....   | \$ 400.00 |
| Duke University (Ivey Chair) .....                              | 3,000.00  |
| Duke University (Religious Training) .....                      | 3,000.00  |
| Greensboro College .....  | 5,000.00  |
| Brevard College .....   | 5,000.00  |
| Pastor's Salary, University of North Carolina, Chapel Hill .... | 500.00    |
| Wesley Foundation, Woman's College of University of N. C. ....  | 300.00    |
| E. M. Cole Trust Fund .....                                     | 500.00    |
| Sustentation Fund .....   | 1,000.00  |

We recommend that the apportionment for the local church work be \$11,774.

We request the confirmation of Thomas C. Hoyle, Sr., as a Trustee of Greensboro College to fill the vacancy occasioned by the death of Charles H. Ireland.

On the Board of Managers of the Pastors' School we nominate C. H. King; J. T. Mangum to succeed himself; and Paul N. Garber in the place of J. F. Kirk, deceased.

We recommend the confirmation of the following Trustees of Rutherford College, elected in 1933 for a term of three years: A. J. Kirby, H. L. Millner, O. V. Woosley, G. B. Goodson, B. S. Womble; and the following elected in 1934 for a term of three years: D. W. Alexander, C. C. Weaver, G. F. Ivey, C. A. Spencer, J. F. McGimpsey.

We recommend as additional members on Inter-Conference Educational Commission: D. E. Henderson and C. C. Herbert, Jr.

We recommend the following appointments: O. L. Simpson, Associate Editor of Church School Publications, General Board of Christian Education; H. C. Sprinkle, Jr., Assistant Editor of Church School Publications, General Board of Christian Education; H. B. Trimble, Professor Emory University; G. T. Rowe, Professor Duke University; P. N. Garber, Professor Duke University; S. B. Turrentine, President Greensboro College; W. M. Curtis, Treasurer Greensboro College; Carl H. King, Executive Extension Secretary, Conference Board of Christian Education; J. M. Downum, Professor Appalachian State Teachers' College; N. A. Huffman, Fellow Brown University.

## REPORT OF SPECIAL CONFERENCE EDUCATIONAL COMMISSION

Your Educational Commission was continued by the 1933 session of the Conference for the purpose of seeing that the will of the Conference was carried out "in regard to the merging of Weaver and Rutherford Colleges in the new institution."

The Commission was relieved of any responsibility for carrying out the will of the Conference in regard to Greensboro and Davenport Colleges, inasmuch as this responsibility was placed by the Conference in the hands of the Inter-Conference Commission.

Two other actions of the Conference specifically limited the responsibility of your Commission: First, the Conference adopted the report of the Commission "That the Conference, without assuming any legal obligations in connection with the affairs of Rutherford College, give the Board of Trustees of Rutherford College further time to effect liquidation before its final merger with Brevard College is effected."

Second, the Conference by its action gave instruction "That Weaver College be merged with Brevard College. Brevard College, according to the law of the State of North Carolina, to take over all assets and liabilities of Weaver College." The Conference further voted "That the Trustees of Weaver College are hereby

authorized and directed to transfer to Brevard College all of the property, accounts receivable, and all liabilities of Weaver College to Brevard College, transfer to be effected within sixty days after the close of academic year, 1933-1934."

This direct action of the Conference, both as regards the present status of Rutherford College and the merging of Weaver College with Brevard College, has made unnecessary any new or important activity on the part of your Commission, otherwise than the following:

On January 23rd, 1934, the Commission met in Charlotte for the completion of its duties in regard to Brevard College. On the same day and at the same place, the Commission met with the Trustees of Brevard College, and gave such assistance as seemed desirable in connection with the organization of the Brevard College Board.

The Commission has properly executed the transfer to the Board of Trustees of Brevard College of all titles of property received by the Commission in behalf of the Conference for the new institution.

We are advised that the merging of Weaver College with Brevard College, under the instructions of the Conference, has proceeded satisfactorily. The work, therefore, of your Commission in this part of the merger is at an end.

In respect to the special action of the last Conference, empowering the Commission to negotiate with other schools, conferences or organizations seeking to join us in supporting Brevard College, your Commission reports that it has not been approached by any conference, school or organization seeking such co-operation.

Inasmuch as it is apparent that the way is not yet open to merge Rutherford College with Brevard College, your Commission recommends the renewal of the action of a year ago, "That the Conference, without assuming any legal obligations in connection with the affairs of Rutherford College, give the Board of Trustees of Rutherford College further time to effect liquidation before its final merger with Brevard College is effected."

Finally, your Commission, having to the best of its ability discharged the responsibilities placed upon it by the Conference, and, finding no work at the present time that calls for its further services, asks for its own discontinuance, and recommends the transfer to the Conference Board of Christian Education of such responsibilities of the Conference in connection with Brevard and Rutherford Colleges, as remain to be carried forward.

Your Commission is instructing its Secretary to turn over all records of the Commission, including the minutes of all meetings, to the Chairman of the Conference Board of Christian Education.

(Signed) JOHN W. SHACKFORD, Vice-Chairman,  
J. F. SPRUILL, Secretary.

## REPORT OF BOARD OF CHRISTIAN LITERATURE

We believe that Christian literature has an increasing place of usefulness in the educational and spiritual life of our church. We deplore the widespread indulgence of our people in other than the best literature, and we would give the Holy Bible its rightful place at the center of our home life, and urge our people to select and read only such literature as will strengthen their Christian character and bring them into a more intimate fellowship with God.

## PUBLISHING HOUSE

Our Publishing House audit shows a profit for 1934 of a little more than 4%. This is a happy contrast to a loss of 1% for 1933. The Publishing House, however, faces a period of increased costs in the production of all our periodicals due to the codes of the National Recovery Administration, and will find difficulty in maintaining the present low price level on our periodicals. This the Publishing House hopes to be able to do. We call your attention to the high merit of our Sunday school periodicals. They receive warm commendation from educators and Christian workers. Efforts to improve them never cease. The *Christian Advocate* is a superior journal, not surpassed by any denominational paper. Its subscription list, however, falls far short of sustaining it. The diligent endeavors of our pastors are earnestly solicited in its behalf.

Under the imprint of Cokesbury Press our Publishing House issues a number of carefully selected books each year. These books are chosen for their spiritual message and are worthy of wide circulation.

The Publishing House is grateful for the kind consideration it receives from our ministers and members, and is happy to report that this year the Book Committee has appropriated \$60.00 to the superannuates.

## NORTH CAROLINA CHRISTIAN ADVOCATE

The *North Carolina Christian Advocate* shows a net profit for the year of a little more than \$2,000. This has been made possible by an increase in the production of its commercial printing department, and by salary reductions. There has, however, been a reduction in income from subscriptions.

The *Advocate* is starting a campaign to enlarge the subscription list by adding annual subscribers instead of the short term special rate efforts employed the past few years when money was so scarce. A united effort on the part of every one should be secured to make this campaign a success. We trust that this Conference will take some definite action to give the *Advocate* a new place in North Carolina Methodism.

A special effort has been made this year to give our people a deeper appreciation of the secret of Methodist success by featuring the Sesqui-Centennial and the things for which it stands.

To forward the work of our Zion is always the chief concern of the *Advocate*, nor does it forget the general welfare of all the people. The *Advocate* might do more in this respect if it did not have to spend so much time and energy and no little space in taking care of a hard pressed financial situation.

We request the Conference to make the following order concerning the future of our church paper:

1. A united and continuous effort on the part of preachers and laymen to make the *North Carolina Christian Advocate* an ever enlarging force in the social, the educational, and the religious life of our state.

2. Put the circulation of the *North Carolina Christian Advocate* on a level with missions, religious education, orphanages and other interests of the church. Then we will have one common agent—our church paper—for promoting all the interests of the church.

3. Urge all pastors and the Chairmen of Boards to put this *Advocate* into the home of every Steward so that the Board of Lay Activities, which is now the Board of Stewards, may become informed and the church thereby may have an intelligent leadership.

4. Make the ultimate goal for pastors, lay leaders and missionary women the putting of the church paper in every Methodist home. This will mean a better *Advocate* and better homes and better churches. A united campaign to this end will result in full collections, and better paid ministers and missionaries. Lack of knowledge and want of fellowship with the Christ is the hurt of our people. Our redemption—the healing of this hurt—must be found in the output of the printing press and the fellowship of a spiritual ministry.

We recommend that N. L. Eure succeed himself as a member of our Board of Publication, and that A. W. Plyler be appointed Editor and Manager of the *Advocate*.

(Signed) A. W. PLYLER,  
W. ARTHUR BARBER.

### BOARD OF MISSIONS—REPORT NO. 1

In view of the importance of the cause of missions we urge that every occasion and every agency be used to forward this cause. In the church school and the Woman's Missionary Society we have agencies that can be used most effectively. Our first effort must be toward recreating missionary interest and missionary enthusiasm.

1. To this end we urge every pastor to give himself with unstinted devotion to presenting the new financial plan of the church; that each Presiding Elder arrange for missionary institutes and group meetings in his District in order that the subject may be kept constantly before our people.

2. It is the sense of the Conference that one-half of our present mission charges should become self-supporting within this quadrennium. We believe this can be hastened by consolidating and re-locating our churches at strategic centers. To this end we instruct our Board of Missions and Presiding Elders.

3. We recommend that every pastor assist to his utmost in the organization of a Woman's Missionary Society in each charge.

4. Many congregations will be interested in carrying missionary specials. Where this can be done it should be done.

5. The Golden Cross should be featured on at least one Sunday in each year, and information with reference to our hospital at Elkin furnished our people.

6. We recommend that a Commission be appointed by the Bishop to study the whole question of Conference missions.

### EVANGELISM

The purpose of all evangelistic effort is twofold:

1. Deepening the spiritual life of our membership.
2. Bringing in those who have not been reached.

Both ends are very much to be sought: the first, because so many people are just nominal members; the second, because people ought to be coming into the church, but they are not in very great numbers as evidenced by the figures—only 3% increase by profession of faith having been registered in our Conference last year.

Without discussion, we suggest that the church should use every available method to attain these ends, not necessarily following only one when we have so many at hand:

1. Revivals—or mass evangelism.
2. Personal evangelism.
3. Visitation evangelism.
4. Christian nurture.

The mechanics are less essential than the realization of the importance of the task, but we submit as follows:

1. Every church ought to have an annual evangelistic campaign—preferably just before Easter. This should be carefully planned, preceded by survey, conscientiously prepared for, and enthusiastically carried out.

2. Classes should be formed in all churches for training children in the meaning of church membership as related to Christian living. These classes should be under the direction of the pastor or some other trained and devout worker. Constant recognition should be given the fact that the home is central in religious life; wherever possible, effort should be made to secure decisions there and the church school should continue the work begun there.

3. Every agency in the church should stress evangelism. The church school should be definitely organized for this purpose; the Woman's Missionary Society and the Board of Stewards, through the committee on Evangelism, should be made to feel that this is their chief work.

4. In many churches a carefully selected group of men and women should be called in by the pastor and trained for and encouraged to do this work. The prime requisite for such a group is that they be those who have a definite religious experience.

5. We recognize that no evangelism can be successful in a coldly unspiritual church or can be led by a ministry that is not conscious of the Holy Spirit. We pray that our ministers tarry first at their own altars until they know God for themselves and until they can say with deep truth, "Give me souls or I die."

(Signed) L. B. ABERNETHY, Chairman,  
J. D. RANKIN, Secretary.

## BOARD OF MISSIONS—REPORT NO. 2

The members of the Board of Missions take encouragement from the reports of the pastors which indicate that the downward trend in missionary activities has been arrested. Conditions seem opportune and challenging for undertaking a great forward movement along this line. Various factors have contributed to our successful operation in church progress. We wish to make mention of one, the Duke Endowment.

The report of the Duke Fund Commission shows that contributions from the Duke Endowment to the North Carolina and the Western North Carolina Conferences, November 1, 1933, through September 30, 1934, were:

### *Church Building Fund:*

2. That Dr. L. B. Abernethy be appointed Conference Missionary Secretary and Director of the Golden Cross.

3. That a Committee on Evangelism be appointed consisting of the following seven members: E. K. McLarty, L. B. Abernethy, E. W. Fox, H. P. Powell, A. A. Kyles, Paul Hardin, Jr., John Cline.

## REPORT OF BOARD OF CHURCH EXTENSION

Careful consideration has been given each application submitted to this Board.

We regret that so many hold their applications until the Annual Conference convenes, which does not give the Board ample time to check and, where incomplete, secure the required information to intelligently pass upon the application. It would facilitate the work if all applications were completed and filed

with the Secretary at least two weeks before the date of the Annual Conference. We recommend full insurance protection on all church property.

We strongly endorse the suggestions made by Dr. Ellis in his appeal that church debts be reduced. The attitude of this Board is naturally more favorable to the applicants who are faithfully trying to reduce their indebtedness.

As usual, funds coming into the hands of this Board are limited, but we have distributed the funds we received as equally and fairly as possible among the various applicants, and wish to report the following grants:

Rev. C. S. Kirkpatrick has been chosen to represent the Superannuate Endowment Fund in the Conference. He is at liberty to select the month for special emphasis and is requested to see that a speaker represents the cause at every District Conference.

## REPORT OF COMMISSION ON BUDGET

In view of the fact that this Conference has a large superannuate roll, large areas of mission territory, and that our schools and colleges are in sore distress, your Commission recommends that General and Conference funds be divided on the basis of .4800 for General work and .5200 for Conference work for this year, at least.

We recommend that the apportionment for the Children's Home continue at an amount equal to ten per cent (10%) of the pastor's salary for the current year; that the fifth Sunday offering by all our Sunday schools be continued as a free will offering to the home; and that the fifth Sunday offerings and all other contributions for maintenance to the home be reported in a separate column from the ten per cent report in the Conference Journal.

We recommend that no Board, interest or cause, be authorized or permitted to make any special appeal for funds in or to any of our churches within the bounds of this Conference, except such as are herein named and recognized and Brevard College. This is not designed to disturb "Specials" now in effect or to prevent their renewal.

We recommend that apportionments to Districts be allowed to stand as of this coming year, as far as practical, throughout this quadrennium. The apportionments by the General Commission on Budget to this Conference for General work is \$110,974. We recommend the acceptance of this amount.

## REPORT OF HOSPITAL BOARD

The Hospital Board submits the accompanying reports of the Director of the Golden Cross and of the Board of Directors of our Hugh Chatham Memorial Hospital, showing that a great service has been given by our hospital. We are proud to see that all bills are paid, or the funds in hand to pay them.

Dr. T. A. Hathcock, our Treasurer, reports that two thousand three hundred and thirty-four dollars and eighty-one cents (\$2,334.81) has been raised during the last year through the Golden Cross. In addition, the sum of three hundred thirty-seven and thirty-three cents (\$337.33) has been raised through the Conference assessments for the expenses of the Golden Cross Director.

In making report of the work of the Golden Cross, the first item called to your attention is the note of \$3,000 owed by the General Hospital Board to the Board of Missions. This note was to be retired out of the proceeds from Kingdom Extension, but this fund only amounted to \$303.96. In January, 1934, we paid \$500.00 on the note with interest of \$135.00 out of the Golden Cross. In April, 1934, the General Hospital Board sent to me a check for \$680.00. This was applied on the note and, as the Hospital Board was discontinued, the General Hospital Board appropriated \$1,572.29 out of the general funds in their hands,

retiring the note in full. The Duke Endowment made an appropriation of \$1,500 to match an equal amount raised by private subscription to put in extra boiler and laundry equipment in the hospital. This \$3,000 has not all been expended, there being still in the treasury \$600.00 to be used for further equipment of laundry.

During the year we have secured from the Duke Endowment the sum of \$2,500 and have secured from private parties in Elkin the sum of \$1,000, and were instructed by Dr. Jarrell to use out of the Golden Cross as much as necessary of the \$1,572.29 to match the \$2,500 of the Duke Endowment, and to build a home for the Superintendent on the hospital grounds. Chatham Manufacturing Company has donated a lot adjoining the fifteen acres belonging to the hospital. This is deeded to the hospital to be used for this Superintendent's home.

I have attended most of the District Conferences, all the set-up meetings, and have made two trips to Atlanta to get this indebtedness paid.

(Signed) J. B. IVEY, Chairman Hospital Board,  
L. B. ABERNETHY, Director of Golden Cross.

REPORT OF BOARD OF TEMPERANCE AND  
SOCIAL SERVICE

This anniversary marks the close of a period of sixteen years for the Board of Temperance and Social Service of this Conference. During this time the Board has endeavored, in harmony with the provisions of the Discipline, "to advance the cause of Temperance and Social Service in the Conference by pointing out the applications of Christian principles to particular social problems and conditions" and by "co-operating with other Boards of the church and with other denominational and inter-denominational agencies for social welfare."

In this endeavor the Board has been guided by Chapter xviii of the Discipline on the Evils of Intemperance, and by the Social Creed of the Churches, which is also a part of our Discipline, and by the pronouncements of the College of Bishops, as they have been made from time to time. In advancing the cause of temperance we have co-operated with the Woman's Christian Temperance Union, the Anti-Saloon League, and have urged co-operation with enforcement officers in the state and nation. This Board was organized about the same time that prohibition became nation-wide through the adoption of the 18th Amendment to the Constitution. When the movement for repeal began and until it was ended this Board and the Conference fought every step of the way. And when ratification of the "repeal amendment" was sweeping through the states it was due to the aroused public conscience of the churches that North Carolina was the first state to stem that tide, and under the leadership of pastors and laymen rolled up the victory vote for "no repeal."

Since policies demanded by an educated social conscience must become authoritative in society through corresponding legislation by means of the ballot, it has been the duty of this Board to point out needed legislation, to call for the formulation of bills to be presented to the legislature and to urge support for bills in the interest of public welfare and morals. In reviewing the history of the Board in this regard it is evident that measures to promote the welfare of a mute majority have taken a large place. Measures for the care of children, for the dependent, the defective, the delinquent, for working children, for schools, for recreation, for all children in our homes and communities, have bulked largely.

Members of this Board have answered calls to speak for measures before the legislature; some of those measures failed to carry and are yet waiting the support of right-thinking citizens. Some have been enacted into laws. We present in review actions taken in the interest of such legislation, beginning with the first.

In 1918 the Board called for a reformatory for young white girls committed from the courts. This was established years later at Samarcand. Also for a reformatory for colored boys, for which the bill passed in 1921, an appropriation was made in 1922, and buildings begun in 1923; 1920 shows the first formal appeal for our public schools in the demand for better buildings, longer terms and larger salaries for teachers. This demand has been met progressively through the years until the recession of the depression. The years 1931, 1932, and 1933 have marked a steady and ominous decline in public school facilities threatening the health and efficiency of both teachers and pupils throughout the system.

In 1921 a Mothers' Aid law was advocated. A law was enacted in 1923; its provisions were accepted at once by 42 counties. Generous recognition was given to the members of this Conference for their part in securing this result.

In 1922 the segregation and training of prisoners between the ages of 17 and 21 years was recommended and support asked for the Federal Child Labor Amendment.

In 1923 the Trustees of the Children's Home were urged to plan for some form of Mothers' Aid to be extended to worthy mothers in need of assistance. The plan has been adopted and has proved of immense value in keeping children under the care of their own mothers. The same report called for support for the plan of the State Commissioner of Public Welfare for the formation of a Bureau of Negro Welfare under the supervision of a trained colored worker; that negro families might receive advice and training in home sanitation, health and morals. This Bureau was established in 1926 by the state with the aid of the Laura Spelman Rockefeller Fund. A great work has been done since then by Lieutenant Oxley and his co-workers to the lessening of disease and delinquency. Support of the Child Labor Amendment again was urged. In 1925 was advocated the restoration of the \$20,000 appropriation cut from the Mothers' Aid Fund in 1924. This was granted by the Legislature of 1926, and in that year the Board recommended the people to support an appropriation to this fund of \$100,000.

In 1926 members of the Conference were asked to use their influence for an eight-months school term for all children. And in the same year to work for such changes in state laws as would reduce legal maximum hours of gainful labor from 60 hours per week for children of 14 years to 48 hours per week for all under 16 years. Changes in the law since that time record the progress in the thinking of our voters in these respects. Support from the state was asked for the School for Delinquent Negro Girls at Efland for the second time. A small appropriation was made by the Legislature to this school in 1927 to supplement the sacrificial giving of the Colored Women's Federated Clubs of North Carolina.

In 1927 the adoption of this school by the state was urged. Approval was placed on record of the action of the Child Labor Committee of the National Association of Manufacturers and the recommendation was made that their standards for the protection of children and adolescents be promoted as the basis of a Federal Child Labor law.

In 1928 adoption of the Efland School by the state was again brought forward and legislation advocated for the elimination of night work by adolescents. At the Conference of 1928, following a recommendation of this Board, a Commission on Industrial Relations was appointed, and from that date on, all matters relating to industry were referred to the Commission, which is still active.

The preceding sums up the main points of policy tending toward legislation for child welfare which have been presented to the Conference for the guidance of its members in exercising their privileges of citizenship in the spirit of the Elder Brother.

Other recommendations have been made to secure legislative action in other matters and further prevent the passage of bills which the Board believed were inimical to the public welfare or public morals. On recommendation of the Board, a Conference Committee was appointed to attend legislative committee hearings on a bill to legalize prize fights. The bill was defeated at that session. Similar action was taken with reference to a bill to permit pari-mutuel gambling. It was defeated at one session and passed in modified form at the last session. Its status now is that a county may vote for or against pari-mutuel gambling in that county at a special election. Certain forms of commercialized recreation have sought legalization for Sunday exhibition and have been in similar wise prevented or checked by partial safeguards, through the influence of representatives of the churches.

This review of certain phases of welfare legislation in the state when carefully studied shows in clear relief two major facts. The first is that advances come in waves, remarkable progress being followed by a backwash of retrogres-

sion in public sentiment either from apathy or because materialistic influences have gained control. At certain periods North Carolina has been pointed out by other states for her phenomenal progress in welfare legislation, as seen when its system of county welfare officers, juvenile courts, mothers' aid, consolidated rural schools, good roads and workmen's compensation laws were enacted. The second fact is that the church, as represented in its membership, is a power behind these beneficent functions of government. It would be strange if the church in North Carolina, representing Christ on earth, whose charter is from Him and whose fellowship is in His Name, should fail to look upon the franchise as sacred, to be exercised in compassion and justice to all men.

We face another legislative year when issues are sharply defined between right and wrong in the protection of the people of the state from the evils of legalized liquor. How will you retain these laws still on our statute books? Will you be vocal or silent? Will you make your convictions known to your representatives or allow defeat through apathy or fear? This is the last word that we, as a Board, shall speak to this Conference on the burning question. Police records of arrests for drunkenness, for crimes committed under the influence of liquor, and the death toll on our highways should shock us wide awake!

Economic issues are confused, and certain issues stand clear from the mass of conflicting plans and ideas. When men walk the streets looking for work, and thousands cannot find it; while able young men call at our doors for food; while they tramp the highways, leading to this mill or that, in the vain hope of finding a job, we know it is no time to split hairs about ages and hours and school standards for working children. The temporary release of children from mill and store and office must, for the very safety of our economic order, be made permanent. Once and for all let us, through state and federal enactment, put an end to the gainful toil of children under the age of 16, save under such limitations as shall insure to them schooling, outdoor life and health.

We have no fear of the eventual outcome in all these matters but we are ardently concerned for the immediate future. What are you going to do about the menace of the movies?

The public in general and parents in particular have too long endured a sex-obsessed theatre in which vulgarity runs riot and salacious scenes flaunt their vileness. A great artistic possibility, a vast educational instrumentality is prostituted by pandering to the lowest of impulses. Censorship has been tried and failed. Producers have promised to observe the famous 15 points and straightway broken every one of them. Bills to control pictures at the point of production and to abolish the evils of block booking and blind buying have failed of passage at Washington, for obvious reasons. The public has seemed at the mercy of a rich and powerful aggregation of producers. At last, out of the heart of the church a solution has been offered. It appeals to the individual; it is democratic; it registers at the box office. What will *you* do with the Legion of Decency? Your Bishops have commended it, the Woman's Missionary Council is promoting it, and the General Board of Christian Education is interested in it. Will you, pastors and laymen and laywomen, secure the bits of pasteboard that, when signed, bear the declaration of the signer's purpose to remain away from all indecent motion pictures? We believe this policy faithfully followed will be the first effective step toward cleaning up the movies.

What will you do with the gambling mania which lures coins from the pockets of idle boys and men? Gambling devices are installed in hotel lobbies, filling stations, drug stores, cigar stores and barber shops—wherever men may chance to be passing a leisure hour. Slot machines are reaping a rich harvest of money worse than wasted. An apparently innocent pastime develops into a

passion. This passion for hanging hopes on the lucky chance becomes one of the most devastating evils. We beg you to fight it in all its forms—fight it at the next Assembly, fight it constructively and see that proper laws are passed for the control of this insidious and demoralizing invention of greedy men. It will take a never ceasing vigilance to secure passage and enforcement.

Throughout all these years this Board has spoken in the interest of the negro people of the state, that they should be shown fairness and consideration in all civic affairs. We again speak for them their rightful share in all tax-supported services, in health supervision, welfare administration, public school funds, community sanitation, and public recreation. And in these times of stress and strain we beg employers of labor to remember the part the negro race has played in the upbuilding of the industrial and economic South; to see that negroes are not unfairly thrust from places in which their work is satisfactory to make room for members of another race.

We especially commend to employers of agricultural labor a course of generosity and patience in dealing with tenants and croppers of both races in situations that have grown acute.

This Board has consistently taken its stand against war as a method of settling international disputes and we now express our approval of the 8-point peace program of the Executive Committee of the Federal Council of the Churches of Christ in America which is:

1. Support of a multi-lateral pact against aggression.
2. Presidential power to declare an embargo on munitions and loans to an aggressor nation.
3. Government control of arms and munitions industry.
4. Withholding of appropriations for naval building under the Vinson Bill.
5. Abolition of all aggressive weapons.
6. Renunciation, except for strictly police purposes, of all military and naval aviation, and international supervision of commercial aviation.
7. Adherence to the World Court.
8. Definition of the terms upon which the United States will join the League of Nations and negotiation of reciprocal tariff agreements by the United States with other nations.

We believe in the association of Christian forces in the state for the good of all its people, and to that end we recommend that the affiliation of this Conference with the State Legislative Council (formerly the State Council of Social, Civic and Religious Agencies) be continued; that a representative to that Council from this Conference be appointed and the agency membership fee of \$25.00 be appropriated and paid.

In order that the records may be complete in the minutes of the Boards of this Conference, we offer this resolution:

1. That the report of the Board of Temperance and Social Service and the report of the Commission on Industrial Relations, as presented at the anniversary, be adopted without further reading, and,
2. That, since the Board of Temperance and Social Service has been abolished, whatever funds remain in the hands of the Treasurer of the Board, after the expenses incident to this Annual Conference have been paid, shall be returned to the Treasurer of this Conference.

(Signed) WATSON O. GOODE, Chairman,  
MRS. W. A. NEWELL, Secretary.

## REPORT OF COMMISSION ON INDUSTRIAL RELATIONS

At the last session of this Conference the report of your Commission was laid upon the table. Whether this action was due to the pressure of time or to the unwillingness of the Conference to face the issues presented in the report is unknown to your Commission. In that report we undertook to bring to the attention of the Conference conditions in our industrial life which we felt sure would eventuate in strikes, lockouts and forcible shutouts with the attendant evils of loss in production, loss in wages, loss of life, and that most irreparable loss of all—the loss of mutual confidence and respect between employers and employees.

The last few months have garnered a harvest of turmoil and uproar. This is especially true of the textile industry. At one time at least one-half of our textile plants were closed. This was due to strikes, flying squadrons, fears of managements resulting in closing down the plants. The Governor of North Carolina called out more than 4,000 soldiers for the maintenance of law and order, thus entailing great expense upon the state.

These events are of such recent occurrence and the time of the Conference available for discussion of this report is so limited that your Commission will not attempt to recite the cause or to assess results, but we are convinced that if recurrence of such situations is to be prevented in the future, leadership must be assumed and maintained by the church.

North Carolina has opportunity to blaze the way toward permanent peace in industry. This state has a negligible foreign-born population. Our colored people do not engage to any large degree in industrial pursuits. From the most recent recruit to the ranks of labor, straight through to the mill owner himself, we are of one blood and inheritors of identical traditions, depressed by the same fears and imbued by the same hopes. In addition to all this we, as a people, profess the same evangelical faith, bow at the same altars and hope to meet again in the heavenly places. From the cradle to the grave we are neighbors and friends. Surely no industrial society has ever had such abounding opportunity for the promotion of ideal conditions in any industry.

It is not in the province of the church to exercise power, save that of the compulsion of love and good will. Nor would we attempt to coerce either employees or employers. But your Commission begs this Conference that we shall gladly co-operate with them in every effort to attain that state of peace in which all shall prosper. The church can and should make this contribution.

We call upon the ownership and management of our industries for ceaseless endeavor in building up closer contacts with the operatives. The church has no fear of so-called paternalism if this paternalism in its inception, support and direction, be of mutual origin, and is carried forward in the spirit of our Blessed Master. Such paternalism means fraternity. If management does not establish and promote this fraternal spirit, management can not object to its being built up out of alien ideals and under alien leadership. This contribution must be of free-will and good-will. Any industry that is not willing to hear and consider the voice of the humblest operative will inevitably be called upon to hear the voice of alien leadership.

Another good the church should endeavor to secure is that which expresses itself in community activities. Since each industry in our state is the center and source of community life, this life should be wide in extent and rich in content. Night schools, garden clubs, Parent-Teacher Associations, clubs for boys and girls, supervised recreation and similar activities should be promoted. And, of course, the church should be central in all these activities. The shorter working week

and shorter working hours make all these imperative needs lest our leisure degenerate into license.

We beg the industrial worker to endeavor to exercise the highest type of fraternity, not only toward his fellow worker, but to those who direct the industry. Each of us draws daily sustenance from the common store and each should be insistent upon the right to contribute to the common good. Let every Christian join with his fellows in high resolve that we shall solve these problems in the spirit of Jesus Christ, and that when differences arise, they shall be discussed and settled with Christ as supreme arbitrator.

We appeal to all our pastors to lead in bringing about these desired results. There is every reason why the preacher should be the real leader in the settlement of such questions and differences as may arise. That is one great purpose of the church and of its ministry. This request is made not to preachers in industrial churches only. The need is just as insistent that this leadership be accepted in all our churches, for the Kingdom of God does not come in fullness until it comes in the hearts of men of all ranks and avocations. We are aware of the fact that it is not always the popular thing to do and that men of contrary motive will resent such leadership but it is not necessary that a cause inherently right should be popular. We may rest assured that any cause which undertakes to hush the voice of the pulpit is in itself an evil cause.

The Social Creed of the Churches, found upon page 300 of our Discipline, is a great charter of liberty and righteousness. It has the full approval of our great church. We commend it to our people for study and practice.

The North Carolina Council of Civic, Social and Religious Agencies has been re-named "The North Carolina Legislative Council." We recommend that this Conference retain its membership in the Council and that an appropriation of twenty-five dollars be made to cover this membership fee.

## REPORT OF BOARD OF LAY ACTIVITIES

Your Conference Board of Lay Activities submits its report together with the following recommendations:

### I. NEW LEGISLATION

We call particular attention to the legislation of the last General Conference affecting our objectives and organization. The objectives have been clarified, the organization simplified, and additional responsibilities placed upon our Board. These are clearly set forth in the new Discipline, but we wish to direct your special attention to one matter, namely: that the Board of Stewards has full responsibility for the entire program of lay activities in the local charge, and the Chairman of the Charge Board of Stewards is the Charge Lay Leader, elected by the Board of Stewards. The necessity for the careful organization of every Charge Board of Stewards is apparent, if the lay organization is to make the proper contact in every local charge. The development of a well-organized, wide-awake, active, broad-visioned, loyal Board of Stewards in every charge in the Western North Carolina Conference is our goal for this year. We strongly recommend that our Boards of Stewards organize along the lines suggested in the pamphlet on "The Board of Stewards," now being issued by the General Board of Lay Activities, and being distributed by our Conference Board. We urge that all our Boards of Stewards study their task. For this purpose we recommend especially the following books: "The Board of Stewards," by George L.

Morelock, and "Financial Recovery for the Local Church," by J. E. Crawford. We recommend also that Institutes for Stewards be held in each Presiding Elder's District.

## II. BENEVOLENCES

We are facing one of the most crucial periods in the history of our church—the transition from the old to the new financial plan. The new financial plan offers, we believe, great possibilities for developing in our membership a new vision, zeal, loyalty, and consecration. This can be brought about, however, only by education and the execution of sound plans of church finance. Hence we make the following recommendations:

1. That a mass meeting of Stewards and other church officers be held in each District as soon as practicable after the session of the Annual Conference, for the purpose of giving information concerning the New Financial Plan and creating inspiration for the acceptance by each Quarterly Conference of an amount for General and Conference work that will represent a generous share in the benevolent program of our church; that the Bishop, the Presiding Elders, and the Conference and District Lay Leaders be requested to give full directions to all the details of the program.

2. That a Conference-wide campaign on Evangelism and emphasis on Benevolences be conducted some time in the beginning of 1935, the Bishop to give direction to the necessary details of program of this movement, the Lay organization to assist to its limit.

3. That an unusual effort be made to pay half of all benevolences by Easter.

4. That special emphasis on Benevolences and the New Financial Plan be provided at the sessions of the District Conferences.

## III. SUPPORT OF THE MINISTRY

*some statement in more formal form for conf. minutes*  
 We recognize the fact that a large number of our ministers do not receive an adequate support. They and their families have been forced to bear excessive hardships and to deny themselves many things that would have contributed to their efficiency, usefulness, and happiness. We would insist that every Board of Stewards, after consultation with the pastor as to what is necessary for his support, shall regard the amount fixed as a moral obligation not to be loosely abrogated, and that, as far as possible, the pastor's salary be paid monthly.

## IV. CHRISTIAN STEWARDSHIP

We urge that Stewardship education be continued and intensified along all approved lines, especially through study classes in Standard schools, Standard classes, as an elective in the organized classes of the church school, the distribution of literature, lay programs, and pageants.

## V. LAYMEN'S DAY

We recommend the continued observance of Laymen's Day and ask that the Conference designate the second Sunday in June, or a Sunday as near thereto as possible, for this purpose, and that a real effort be made to have a Laymen's Day service in each church in the Conference. The subject adopted by the General Board is related, in a special way, to the responsibility of our Board in the field of social problems: "We are in the fight for:" 1. The Christian Home; A Christian Industrial Order; A Sober Nation; A Warless World.

## VI.

We urge that our Stewards attend the Stewards' Conference at Lake Junaluska, July 21-28, 1935, which is to be conducted by the General Board of Lay Activities.

## VII. CHRISTIAN ADVOCATE

The *Nashville Christian Advocate* is now the official organ of the Lay organization. The *North Carolina Christian Advocate* is also our organ in this Conference. We place ourselves solidly behind the promotion of the circulation of these fine papers. They should be in the home of every Methodist family in our Conference. Certainly no Methodist Steward can do without these papers if he wishes to make himself the efficient Steward of the church that God would have him be.

## VIII. SOCIAL WELFARE

We feel keenly the responsibility the General Conference has given our Board in charging it with the great task of quickening our people with a deeper consciousness of the social gospel of Jesus. The Social Creed of the Churches, approved by the General Conference and found in the 1934 Discipline in the Chapter of Lay Activities, sets forth sixteen principles of such broad nature and so difficult of attainment, that we urge every pastor and layman to think them through prayerfully, until he has become thoroughly imbued with their import, and has become charged with a greater passion for social justice. We urge that our pastors, as opportunity may offer, instruct the members of the church along these lines to the end that they may be convinced that the highest human welfare depends upon the acceptance and practice of these principles in their relationships one with another.

As matters of immediate and urgent interest we call attention to the following: We believe our people should be, and are, thoroughly committed to the elimination of objectionable moving pictures; that protective influences should be thrown around the family and all destructive influences combatted; that our church should throw all its force against international war and the conditions which make war possible; that our members should continue their efforts to destroy the liquor traffic with its consequent train of evils; and that there should be economic justice as well as social justice for the laboring classes of our nation.

## IX.

In joint session of the Presiding Elders and the Board of Lay Activities, Professor Guy B. Phillips, of Greensboro, was nominated as Conference Lay Leader for the ensuing year.

(Signed) JAMES E. LAMBETH, Chairman,  
THOMAS C. HOYLE, Secretary.

## REPORT OF TRUSTEES OF CHILDREN'S HOME

The Board of Trustees of the Children's Home bring you greetings from 354 resident children—179 boys and 175 girls—and 126 mothers' aid children, a total family of 480 children. These youngsters range in age from eighteen months to over eighteen years, and have been gathered under the protection and direction of the Children's Home from the various areas of our Conference. They have come into the fostering care of your child-caring institution because there seemed to be no other place for them to go. They are children who have

a right to look to the Methodist Church for an opportunity to make good in life. They are happy children and would heartily express their gratitude, if an opportunity were presented, to the members of this body for the kind consideration given them.

Our Children's Home completed its first twenty-five years of service on the first day of last September. During this period of time over 600 children have been fitted for life's duties and challenges and are now making their contribution to their families and to society in general. It is not a rare experience any more to find some former member of our foster family making particularly good in his field of endeavor. The output of our character making institution is quite encouraging.

It will be remembered that the Children's Home is largely a gift to the Methodists of the Western North Carolina Conference by liberal and altruistic individuals. No denomination or fraternity has had more given to it for the care of its orphan children, nor has any denomination or fraternity a better equipped or better prepared institution for caring for fatherless and motherless boys and girls than have Western North Carolina Methodists.

These contributions to the Children's Home have been given with the implied challenge that we provide for maintaining it to the very fullest extent and that we use its sheltering and fostering care in providing for as many deserving orphans as come within the range of prudence and possibility. In spite of our diligent efforts to provide for them there are yet many boys and girls pleading through their pastors and other friends for a home in our Children's Home. At present there are 150 children in the county poorhouses of our state. All too many of these have a right to look to us for a better place in which to live where they may "increase in wisdom and stature, and in favor with God and man."

Due to payments early in the Conference year on the ten per cent apportionments and to economical management your Children's Home has been enabled to take care of its enlarged family without having to go in debt. We have lived throughout the year on a balanced budget. The early payment of the various charges' ten per cent apportionment serves the Children's Home mighty well and also accommodates the wise handling of financial appeals to the membership of the local congregations. It is urgently hoped that this good policy may be continued.

It is recommended that Thanksgiving time be used for securing the Children's Home ten per cent quota on every charge. Due to the fact that the work of the ensuing Conference year will have been organized by then and due to the sentiment of the season it is thought that Thanksgiving can best be commemorated by our people in making a fitting contribution to the needs of our orphan children.

It is not the thought of your Board of Trustees to over-emphasize the calls upon our people for the support of orphan children. We do think, however, that our great Conference should not deny Methodist orphan boys and girls the opportunity of making a success of living so long as we do not financially strain ourselves. Our Methodist people are asked for less and pay less for the care of their orphans than do the other leading denominations providing for orphans in the same territory. It is earnestly hoped that there may be no shrinkage, but an increase, in our interest in and our sharing with the little youngsters denied the joy and tender love and care of father and mother.

We note with sadness the passing of Rev. J. F. Kirk, one of our valued associates, who was always deeply interested in the welfare of our foster children. Brother Kirk was closely identified with the early history of the Home and

was an understanding friend to its needs and services. He was a wise counsellor. His untimely death was a severe blow to us.

Western North Carolina Methodism has every reason to be righteously proud of its child-caring institution. Although led by sister denominations in the beginnings of institutional care of children, we can now vie with other Christian bodies in fittingly providing for those who most need our love and sustaining care. "Let us not grow weary in well doing." Doubtless our Saviour is still saying to us, "Inasmuch as ye have done it to one of the least of these, my brethren, ye have done it unto me."

(Signed) T. F. MARR, President,  
G. F. IVEY, Secretary.

## REPORT OF COMMISSION ON SPIRITUAL LIFE

For report of this Commission see Report of Committee on Unified Program of Work, Section 4, Spiritual Life Objectives, as published on page 49 of the minutes.

## REPORT OF BIBLE BOARD

The Bible is the word of God, a lamp to our feet and a light to our pathway.

The publication and distribution of the Bible is, therefore, one of the most important works of Christianity. The American Bible Society has been engaged in this important work for 108 years.

The Bible still remains the best seller of all the books of the world.

Your Board brings you the following report:

In spite of many restrictions placed upon it by reduced income during the twelve months of 1933 the American Bible Society was able to carry on all its activities, and at certain points to make some advances.

1. *Translation.* Due chiefly to the smaller missionary forces of the churches in the foreign fields the Society's share in Scripture translation was somewhat reduced. However, in *Africa* the translation of the New Testament in Tetela (tay-te-la) went forward, progress was made in the revision of the Luba-Lulua New Testament, the Gospels in Shilluk were in process of revision, and the New Testament in Nyore (ny-or-a) was received for publication. In *Guatemala* progress was made in New Testament translation in both Quiche (kee-chay) and Mam. In the *Philippines* work was done on the revision of the Ibanag (ee-ban-ag) New Testament and on the Bible in Panayan (pe-naw-yn), with some progress in the translation of the Old Testament into Samareno. In *China* the revision of the New Testament in the Hingwa Colloquial was completed. In *Turkey* the revision of the Old Testament for publication in the Roman alphabet advanced.

Statistics recently compiled show that the entire Bible has been translated into 175 languages and that Scripture translation has occurred in a grand total of 940 languages and dialects.

2. *Publication.* During the year the complete New Testament and Genesis in Turkish, recently revised, were published in the Roman alphabet, and the publication of the Gospel of St. Matthew for the Keres (kee-rees) Indians in New Mexico, and Psalms in Samareno (Philippine Islands) also occurred. For

the first time the four Gospels and Acts were each published in separate volumes in Bulu (West Africa).

A significant item during the year was the publication of a new series of self-pronouncing Bibles and Testaments produced from new plates with type specially manufactured for the purpose. In this series a splendid Bible at only 25c, a substantial paper bound New Testament for 5c and large size Gospels at 2c are obtainable. This new series has already proven by its sales that there is a wide demand for a good, inexpensive Bible.

3. *Distribution.* During 1933 the Society, through its Home and Foreign Agencies, issued more than 7,800,000 volumes of Bibles, Testaments, and Portions. While these figures are lower than the circulation of pre-depression years, certain achievements in the distribution of the Bible occurred that are worthy of notice: especially that the Society distributed more complete Bibles in Japan than in any preceding year, that in China all Bible-distributing agencies put into circulation more complete Bibles than in any year of evangelical effort in China, that the distribution of Scriptures was greater in Mexico in 1933 than in 1932, that in the Upper Andes Agency more than twice as many complete Bibles were distributed last year than the year before, and that the number of entire Bibles distributed in Brazil and the Caribbean Agency during the year exceeded the number distributed in 1932. The completion and dedication of two new modern Bible houses in Tokyo and Rio de Janeiro during 1933 augur well for increased interest and efficiency in Scripture distribution in these two important countries.

During the 118 years since its organization in 1816 the American Bible Society has put into circulation approximately 225,000,000 volumes of Scripture—a ministry in the Christian enterprise incapable of being quickly evaluated.

4. *Service to the Blind.* The Society has rendered another year of important service to those who read with their fingers in supplying "embossed" Scriptures at the special 25 cent-a-volume price. From the Bible House at New York, 2,969 volumes in seven different systems were distributed during 1933, making a total of 95,324 volumes distributed from headquarters during the 99 years of such service. A special appropriation for enlarging the work among the blind in Foreign Agencies was granted during the year, and an additional service was the publication of the Gospels of St. Matthew and St. Mark in the new Standard English Braille, the first portions of the Scriptures to be printed in this system.

Universal Bible Sunday, occurring this year on December 9, will commemorate the four-hundredth anniversary of the publication of the translation of Martin Luther's Bible. A scholarly brochure on the significance of Luther's translation, together with other attractive material, will be mailed to pastors early in November.

The Society is making available to ministers and church groups a new stereopticon lecture entitled "The Book Goes Forth," describing with effective pictures Scripture distribution work both in the United States and abroad. This lecture can be secured with no rental charge from any of the Agencies of the Society, as well as from a number of denominational lantern slide depositories. The Society is always glad to provide pastors with posters, leaflets, and other information on the Bible for use in lectures, addresses, and sermons.

In these days of financial strain the Bible Society looks to the churches of America for financial support in carrying on its indispensable missionary work. All its financial processes are carefully examined annually by an Advisory Council whose representatives are officially appointed by the supporting denominations but like every religious agency its income has been woefully reduced.

Your Committee respectfully presents for adoption the following resolutions:

WHEREAS, The American Bible Society is engaged in a missionary labor indispensable to the whole Christian enterprise, be it resolved:

First: That we heartily endorse the work of the American Bible Society in its encouragement of a wider circulation of the Holy Scriptures;

Second: That inasmuch as December 9, 1934, has been designated as Universal Bible Sunday, the ministers of this body co-operate in emphasizing the importance of the Holy Scriptures.

(Signed) EBENEZER MYERS, Chairman,  
T. J. CARSON, Secretary.

## REPORT OF JUNALUSKA METHODIST ASSEMBLY

The property of the Assembly is still in the hands of Mr. James Atkins, Jr., receiver, and he has given great and general satisfaction in his administration. He has the interests of the church at heart and is doing a great work in his dual capacity as receiver and as a faithful servant of the church.

The past summer season was the best attended and most successful in many years. The general program was most inspiring and constructive. The many training schools and conferences were larger than usual and valuable and enduring results were attained.

The time is approaching, we believe, when financial difficulties will be overcome and the Assembly placed upon a safe basis so that it may render permanent and enlarged service to the church.

It is most gratifying that the General Conference allotted an apportionment of \$15,000 to Assemblies, one-half of which goes to our Assembly. We understand this money is directed to carrying on the program of church work at the Lake and is not available for or subject to existing debts.

The Lake Junaluska Methodist Assembly is one of the most beautiful places in the world and is in the center of the greatest scenic attractions of eastern America. It lies at the gate of the marvelous Smoky Mountains National Park. It is not possible to find anywhere else in the world the combination of the loveliest scenery, the most delightful climate, the fellowship of choice Christian people, great spiritual leaders, a varied, inspiring series of sermons, addresses, conferences, and training schools, interspersed with wholesome entertainments and noble music.

We recommend that our people make their plans to go to Lake Junaluska next summer to insure their great enjoyment and religious growth.

We recommend that A. W. Plyler be elected Trustee for a term of two years.

## REPORT OF COMMISSION ON METHODIST CO-OPERATION

The Commission met at the call of the Chairman, Rev. M. T. Plyler, in the editorial office of the *Christian Advocate*, Greensboro, N. C., on October 18, 1934, with members present from the three Conferences, the Western North Carolina and the North Carolina Conferences of the M. E. Church, South, and

the North Carolina Annual Conference of the Methodist Protestant Church. We present for your action the following items:

1. We are glad to report a continuation of the spirit of fraternity and co-operation between our churches and groups. But we believe a greater effort should be made, and in a more practical way, to increase our mutual fellowship and service. A beginning has been made in this direction through invitation to share in the benefits to be derived from training schools, summer conferences and institutes. We ought to take advantage of these opportunities for mutual helpfulness.

2. We think the time has come when we should invite the Methodist Episcopal Church in this state—the Blue Ridge-Atlantic Annual Conference—to membership in this Commission. With your approval the invitation will be extended.

3. We are in fullest sympathy with the renewed efforts now being made by the several Commissions on Methodist Unification, and confidently look forward to the successful conclusion of these negotiations. While we recognize the difficulties that are in the way, we do not believe they are insurmountable, or that they will be allowed to stand in the way of ultimate union. Until such a time shall come, we urge our people to carry on their own work in their own way, working in co-operation with each other at every possible point in every possible way.

4. The spirit coming out of the Sesqui-Centennial of Methodism has given opportunity for an appraisal of our common heritage and task. We wish to take advantage of it. To that end we suggest the setting apart of a day for fellowship and celebration, when we shall meet together at some central point, the three Methodisms taking part in the program. We suggest a day near January 6, 1935, a historic date, as the time. And we are naming as the Committee in charge of all arrangements for the day: Rev. M. T. Plyler, of the Methodist Episcopal Church, South, Rev. B. A. Culp, of the Methodist Episcopal Church, and Rev. S. W. Taylor, of the Methodist Protestant Church.

5. It is our judgment that it would be better if, instead of sending fraternal messengers to each of our Conferences each year, we alternate, the Methodist Protestants alternating between the two Methodist Episcopal, South, Conferences, the Methodist Episcopal Conferences sending a fraternal messenger every other year. In the years when no messengers are sent, it is suggested that letters or telegrams of fraternal greeting be exchanged. If this plan meets with your approval, we suggest that it go into effect with the Conferences meeting in 1935.

(Signed) M. T. PLYLER, Chairman,  
C. W. BATES, Secretary.

## REPORT OF MANAGERS OF PASTORS' SCHOOL

The 1934 Pastors' School met at Duke University June 11-22, running simultaneously with the Institute of International Relations, sponsored by the American Friends Service Committee and Duke University, and the Rural Church Institute, conducted under the auspices of Duke University and the leading representatives of eight denominations. The program of courses and addresses was of high order, and, together with the other institutes, attracted a larger number of people to the Duke University campus than any previous series of institutes have been able to do. The schedule of the 1934 school was changed so as to provide for one set of courses to run the first week of the school and another set the second week rather than for all the courses to run through the period of two

weeks. There were sixty-two more credits issued in the Pastors' School classes than were issued in 1933.

It is expected that the same plan of co-operation with the two above named institutes will be carried out in 1935 as in 1934.

The Committee submits herewith a suggested

## PLAN OF ORGANIZATION AND ADMINISTRATION

**NAME:** The name of this fund will be the Fellowship Fund of Western North Carolina Conference.

**MEMBERSHIP:** It is recommended that all effective members of the Western North Carolina Conference be participating members of this fund.

**MINIMUM SALARY:** The following schedule of salaries is recommended as a goal:

1. Single members \$900.00 (with living quarters).
2. Married members \$1,200.00 (and parsonage).
3. The minimum salary shall be fixed by the Annual Conference each year upon recommendation of the Fellowship Fund Committee.

**SOURCE OF REVENUE:** It is recommended that all participating members contribute to the fund quarterly in advance according to the following schedule of sharing:

- a. Salaries from \$1,200 to \$1,799—one-half of one per cent per year.
- b. Salaries from \$1,800 to \$2,499—one per cent per year.
- c. Salaries from \$2,500 to \$2,999—one and one-half per cent per year.
- d. Salaries from \$3,000 to \$3,499—two per cent per year.
- e. Salaries from \$3,500 to \$3,999—two and one-half per cent per year.
- f. Salaries from \$4,000 to \$4,499—three per cent per year.
- g. Salaries from \$4,500 to \$4,999—three and one-half per cent per year.
- h. Salaries from \$5,000 up—four per cent per year.

The above percentages are to be paid on salaries reported paid at the Annual Conference inclusive of cash income from the Conference Board of Missions.

**ADMINISTRATION:**

1. It is recommended that the Fellowship Fund be administered by the Fellowship Fund Committee, composed of five participating members, one of whom shall be the Conference Treasurer, elected by the Annual Conference on nomination of the presiding Bishop.
2. It is recommended that ten per cent of all receipts be set aside for emergency need. The funds thus secured to be expended for such needs as they arrive or at the time of the next Annual Conference.
3. It is further recommended that the Annual Conference Committee appoint for each District a Committee of three pastors and the Presiding Elder, whose duty it shall be to investigate each pastoral charge where sub-minimum salaries are anticipated and recommend such appropriations to the Fellowship Fund Committee as will be needed to meet the minimum salary scale.

4. Appropriations may be made from an emergency fund to participating members whose churches have experienced calamities resulting in sub-minimum salaries.
